Regional Director
Department of Education Region VII
Lahug, Cebu City

Dear Dr. Jimenez,

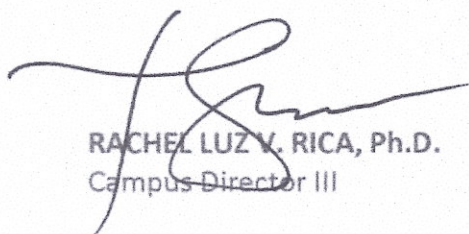

Greetings from PSHS-Central Visayas Campus!

The Philippine Science High School System, with the vision to become the leading science high school in the Asia Pacific Region, will be conducting its annual search for students with high aptitude in Science and Mathematics. In lieu of the PSHS National Competitive Examination (NCE), the **Requirements for Admission, Criteria and Evaluation (RACE)** will be used as an alternative selection process for SY 2023-2024. With the objective of increasing applicants and qualifiers particularly from public elementary schools, the PSHS Central Visayas Campus would like to ask for your permission for us to conduct a school-to-school campaign for the information dissemination regarding the application for the 2022 PSHSS RACE throughout DepEd Schools in the region.

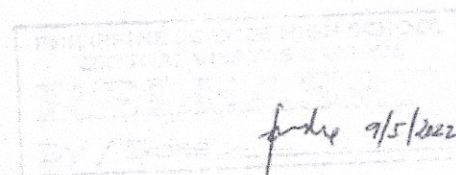

The RACE is open to all Grade 6 elementary pupils of SY 2022-2023 from a duly recognized school by the Department of Education who will meet the given criteria for eligibility. **Online application is now available through <https://nce.pshs.edu.ph/>**. Deadline of submission of application is on November 15, 2022, for public and private schools.

Thank you very much for your relentless support. Stay safe and God bless.

Sincerely yours,

RACHEL LUZ V. RICA, Ph.D.
Campus Director III
