**WRITING WORKSHOP 2023 (14 TO 22 TRAINING HOURS)**

We cannot deny that the price of poor writing is lost revenue. Organizations lose an estimated \$400 billion or PHP23.6 annually due to bad writing, which could potentially have an effect on your organization (McCoy, 2021).

Rapid and effective communication is the cornerstone of any profession. Regardless of how unrelated writing may seem to a particular field, viewing writing as an integral part of your skill set is essential. Hence, we are inviting you to STRATONE's upcoming writing workshop in 2023:

- **Essentials of Technical Writing and Web Content Development - January 25 to 27, 2023 (P3,000.00)**
- **Advanced Technical, Report and Policy Writing In-depth Training Workshop - February 22 to 24, 2023 (P2500.00)**
- **Research Writing and Statistical Analysis In-depth Training Workshop - April 24 to 28, 2023 (P3500.00)**

**Attending virtual workshops with STRATONE is inflation-proof:**

1. It does not require significant funding (it does not require budget allotment on transportation costs and meals during travel).
2. You can easily replay the recording if you missed a portion of the workshop.
3. STRATONE has a net promoter score of 65% (above the industry benchmark), plus our customer satisfaction is 8.9/10.
4. Trainers are very approachable.
5. Aside from informational workshops, we are also entertaining.

**Personal benefits of these workshops:**

1. You can use our certificates to redeem CPD points (<https://cpdas.prc.gov.ph/public/main-page.aspx>).
2. Participating in workshops and training is a great opportunity to expand your horizons, meet new people in your field, find the motivation to improve your profession, and have a good time while doing so.
3. The skills that you will accumulate from these workshops are embedded in you. You may apply this knowledge throughout your professional career, and in your personal life and it may help you find new or additional sources of cash flow.
