Good day RD Salustiano Jimenez,

Last year, we had over 17,000 registrants for our educator training programs catering to education leaders (school heads and supervisors), master teachers, and teachers. We had the pleasure of working with DepEd NCR and CALABARZON, along with the SDOs of Pasig, Makati, Manila, Mandaluyong, and Quezon City. From all our participants in all our programs, 8 in 10 gave us an Excellent rating.

Here are just some of the highlights from our program participants:

## FLEX Program Testimonials

For education leaders,

### FLEX2 Lead

"This Flex2Lead webinar is a **blessing disguised as a disruption**. This is a great reinforcement that came just in time when it is needed the most... This, I believe, is a **great start of another chapter in our leadership journey that would eventually release our learners and teachers from the bondage of 'digital poverty'**" - *F. De Leon*

For master teachers,

### FLEX2 Educate

"All the content of this 15-day training is **very meaningful and will lead us to meet the standards on how to be an effective teacher in handling the 21st century learners**. All the knowledge and techniques being shared by the brilliant speakers is a great tool for us to face the different modalities in our learning situation." - *E. Ilaa*

For teachers,

### FLEX2 Learn

"All of the assignments given were the best part of this webinar. I was a bit shocked at first and I thought I can't do those activities because the time was limited and the activities seem endless. But actually, **those assignments didn't STRESS us, instead it STRETCH us to be more flexible teachers.**"
