I. EVENT NAME

HUDYUKA SA TAGBILARAN: A Christmas Festivity for the Tagbilaran Students

II. PROJECT OVERVIEW

Christmas is deemed as the most wonderful time of the year where people come together to celebrate the nativity of our savior – Lord Jesus Christ. It is in this season that songs of joy and gatherings filled with love are flowing and glowing around. Likewise, this is also one of the times when people share their God-given talents as they spread the essence of the season of love and giving. And undeniably, the students of Tagbilaran City Schools Division are blessed and gifted with incredible talents that are worthy to be showcased within and beyond Tagbilaran City.

In this regard, with hopes of giving hype and bringing the delight of the Christmas season to the homes of the students, the Division Federated Supreme Student Government of DepEd Tagbilaran City Schools Division proposes to hold HUDYUKA SA TAGBILARAN: A Christmas Festivity for the Tagbilaran Students on December 24, 2022, as “salubong” to the most-awaited Christmas Day. The said program shall be held live via the DepEd TAYO – Youth Formation Division FB Page.

To make this event a reality, recorded performances of students will be collected from each school comprising the federation. Performances shall be Christmas-related and could be in any form of performing arts.
