RESEARCH REPORT FORMAT IN POWERPOINT PRESENTATION
(maximum of 15-slide research report)

Prayer

- 1 slide only
- One-minute recited prayer is preferred; prayer on videos is discouraged

Title

- 1 slide only
- Include the title of research, name of researcher/s, name of schools and SDO

Abstract

- 1 slide only
- The abstract of the study shall not exceed 250 words presented in single space format and in single paragraph. It starts with a sentence which portrays and propels the objectives of the study. The objectives of the study shall clearly define what it (study) intends to discover. The last part shall briefly discuss the methodology such as method used, respondents, sample size and its determination, instrument including description of validity and reliability as necessary, list of statistical used, major or salient findings of the study, conclusion and recommendation.

Keywords. (4 aspects) discipline where the study can be categorized, construct or concept investigated, methods and/or process; Geography

INTRODUCTION

Context and Rationale

- 2 slides only
- Discussion must answer the following questions:
 - *What is your action research all about?*
 - *Why did you conduct such action research?*
 - *What do other people say about your study?*
 - *What is the gap in your study?*
 - *How will you address such gap?*
 - *What is expected from your action research?*

Action Research Question

- 1 slide only
- Only a single statement which shows the problem/gap/ issue being addressed and the objective of the study (*carefully framed and include the action or intervention being implemented and the intended outcome of the study*)

Innovation, Intervention, and Strategy

- 3 slides only
- Brief discussion should include pre-implementation, during implementation, and post implementation

ACTION RESEARCH METHODS

- 1 slide only
- Include participants and/or other sources of data and information as well as the data gathering methods

DISCUSSION OF RESULTS AND REFLECTION

- 3 slides only
- Presentation, analysis, and interpretation of data

ACTION PLAN

- 1 slide only
- Dissemination and Utilization Report
