Dear Dr. Lagura,

Good day!

**Youth Leadership for Democracy (YouthLed)** is a five-year program in the Philippines implemented by **The Asia Foundation** in partnership with the **United States Agency for International Development (USAID)**. YouthLed aims to increase and improve youth civic engagement through leadership development, coalition building, and civic education. This is complemented with engagement activities in contexts that are relevant to the youth while supporting their meaningful participation in democratic governance. Among the goals of YouthLed is to develop political leadership skills, knowledge, character, and attitude of young leaders and build coalitions and networks that will strengthen their capacity to navigate and optimize platforms for democratic governance.

After the formation of the 12 regional clusters of youth engaged by YouthLed from the Local Youth Assemblies and other coalition-building activities, **Capacity Development (CapDev) initiatives** will be implemented to support the knowledge-skills-abilities (KSA) improvement of the youth leaders of each cluster. The 3-day CapDev training for each cluster will be rolled out starting with members of the steering committee and select youth leaders. The overall program is anchored on each cluster's identified needs after conducting a Training Needs Analysis, Focus Group Discussion, and On-boarding activities, as provided in their program proposal.

With this, we are pleased to invite **Ms. Claire Marie H. Hernando** to become one of our **PARTICIPANTS** in our **Central and Eastern Visayas Cluster Capacity Development Training** on **January 26-30** at the **Bai Hotel, Mandaue City, Cebu**. To confirm her participation, please register via the Google Form provided: <https://forms.gle/48WvtFaMBArHrUGT8>. Kindly confirm your participation **not later than**
