1. In the continuous pursuit to promote the Arts and mold the next generation of Filipino artists, the De La Salle University Senior High school presents Bansayan at Pandayan 2023, a Young Artists' Workshop that aims to provide an avenue for **senior high school students** to create and be mentored by a roster of the country's most renowned artists through a **two-day** training workshop.

2. Along this line, this Office invites all senior high school students-artists to submit their art works (creative writing, visual and multimedia arts and performing arts) which will undergo a screening process, for a chance to be participants in this year's workshops and be under the tutelage of esteemed workshop mentors. If accepted, revised workshop pieces will also be digitally published or featured in their exhibition and recital online platform.

3. Submission of entries must be received on or before **March 24, 2023**. A notice of Acceptance or Non-Acceptance will be sent from **May 8-9, 2023**. The workshop will take place on **June 1 & 2, 2023**. For the detailed event and submission guidelines please go to:
