COUNCIL CIRCULAR NO. 05

TO : ALL SCHOOLS DISTRICT SUPERVISORS, CENTRAL/SCHOOL PRINCIPALS, HEAD TEACHERS, DISTRICT FIELD ADVISERS AND TROOP LEADERS FOR PUBLIC AND PRIVATE SCHOOLS ALL MUNICIPALITIES AND TAGBILARAN CITY

SUBJECT : WORLD THINKING DAY (WTD) 2023

DATE : FEBRUARY 14, 2023

The World Thinking Day (WTD) which Girl Guides and Girl Scouts around the world celebrate every 22nd of February is an extraordinary time to connect with each other by having fun together, learning about and take action on the global issues that affect their local communities and raise funds for 10 million Girl Guides and Girl Scouts around the world in support of the World Thinking Day Fund.

This year's theme, "Our World, Our Peaceful Future: The Environment & Peace", is a continuation of the three-year journey for Girl Guides and Girl Scouts to become environmentally conscious leaders which came from a survey during the International Day of the Girl 2020 wherein the World Association of Girl Guides and Girl Scouts (WAGGGS) asked Girl Guides and Girl Scouts under 18 from 100 countries what issues they were most concerned about and what they wanted to change about the world. From this data, it was learned that the number one worry is the environment.

The WTD 2023 theme explores what we can learn from the environment and how we can work with nature to create a more peaceful and secure future for girls everywhere. We explore topics of stewardship, harmony, and the role the environment plays in peace and security.

In this regard, we encourage Girl Scouts from districts/schools to celebrate the joint birthday of our founders Lord Robert Baden Powell and Lady Olave Baden Powell by holding a WTD Ceremony and participate in the WTD activities. Attached are suggested activities (Attachment A) that troops, and girl scouts may do face-to-face or online, and the WTD Ceremony sample (Attachment B).

Digital copy of the WTD Activity is also available for download through this link https://duz92c7qaoni3.cloudfront.net/documents/WTD_English_22.10.07.pdf.

(Each speaker lights a candle and reads the following)

SPEAKER 1

Girl Scouts all over the world celebrate Thinking Day on February 22 of every year, to signify the great efforts and vital contribution made by the Scouting Movement towards promoting world fellowship and peace. Which commemorates the joint birthdays of the Founder of the Scouting Movement, Lord Robert and her wife Lade Olave Baden Powell. It is especially designated as international day to symbolize the unity of members of the World Family of Scouting, a day for "thinking of each other and for circling the world with a chain of warm, friendly thoughts."

SPEAKER 2

The idea for World Thinking Day first came to life when Girl Guides and Girl Scouts met in the USA at the fourth WAGGGS World Conference. It was created for Girl Guides and Girl Scouts to share their thanks and appreciation for our global movement.

SPEAKER 3

Thinking Day is also a way for girls and young women to learn about the life of their peers in other countries and to explore the Girl Guide and Girl Scout experience across the globe. This special day serves as an opportunity to celebrate international friendship, learn about and take action on important issues, and fundraise in support of the World Thinking Day Fund.

SPEAKER 4

As we celebrate Thinking Day, we should remember that in the fellowship of Girl Guides and Girl Scouts we have sisters from 152 countries around the world; that we owe a debt of love and gratitude to our Founder and World Chief Guide; that our dearest debt is to our Heavenly Father who has inspired our leaders with such vision of the unity of mankind.

PATROL 1

On Thinking Day, distances shrink, age differences vanish, nationalities, cultures and creeds blend, people stand united as kind thoughts, love and understanding circle the world. It is also a special time for our re-affirmation of the PROMISE made and rededication to the challenges and tasks ahead. As the lines in our World Song go... "We must unite for what is right... To give to all both great and small all we can give."

Song (All):

GIRL SCOUTS TOGETHER

Girl Scouts together, that is our song,
Winding the old trails, rocky and long,
Learning our motto, living our creed,
Girl Scouts together, in every good deed.

Girl Scouts together, happy are we,
Friendly to neighbors, far o'er the sea.
Faithful to country, loyal to home,
Known as true Girl Scouts wherever we roam.

PATROL 2

The COVID-19 pandemic took hold across the globe and has been more challenging and hugely affected the World Thinking Day Celebration and the funds that many of you are normally able to raise to support Girl Guides and Girl Scouts around the world. With less donations, some of the projects the fund supports like leadership workshops for young women, support to Girl Guide and Girl Scout Associations around the world, and the development of the World Thinking Day Activity Pack, have been adversely affected.

PATROL 3

The World Thinking Day 2023 theme, "*Our World, Our Peaceful Future: The Environment & Peace*", explores what we can learn from the environment and how we can work with nature to create a more peaceful and secure future for girls everywhere. We explore topics of stewardship, harmony, and the role the environment plays in peace and security.

PATROL 4

This year's theme is a continuation of the three-year journey for Girl Guides and Girl Scouts to become environmentally conscious leaders which came from a survey during the International Day of the Girl 2020 wherein the World Association of Girl Guides and Girl Scouts (WAGGGS) asked Girl Guides and Girl Scouts under 18 from 100 countries what issues they were most concerned about and what they wanted to change about the world. From this data, it was learned that the number one worry is the environment.

PATROL 5

Using the knowledge gained from the previous year, we will work together to create a more peaceful and secure future for girls everywhere. Building on an understanding of the role climate change plays in disrupting global peace and security, we will focus on what we can learn from the environment to create a balanced and peaceful world. While peace in nature will look different for everyone, for the purpose of this pack, we will examine the different levels of relationships to nature - personal, communal, and global.

PATROL 6

And for yourself, consider how you fit into the natural world and when you feel at peace with the environment. At a communal level, peace comes about by considering how to balance diverse needs and finding ways to work together to find a natural harmony that celebrates and respects differences. Around the globe, we must explore methods of stewardship and consideration of both the natural world and our fellow human beings. These different aspects of a peaceful environment can help us all achieve a world with a peaceful future.

All

This World Thinking Day, and every day, we recognize the importance of working to build a world where this is true for everyone, wherever they live. As the global Movement with 10 million Girl Guides and Girl Scouts in 152 countries – all with diverse backgrounds and experiences – we can learn a huge amount about ourselves, others and the world by connecting and sharing our experiences.

Thinking Day gives us a major opportunity to help each other through our voluntary efforts. Every centavo that we share will go a long way to support Girl Guiding and Girl Scouting programs all over the world. The World Thinking Day Fund also helps girls' voices to be heard globally, have access to unique and empowering non-formal educational experiences, and delivers leadership training to young women. Our contributions will strengthen our existence as a World Association.

Song (All): THE WORLD SONG

Our way is clear as we march on
And see our flag on high
Is never furled throughout the world
For hope shall never die
We must unite for what is right
In friendship true and strong
Until the earth in its rebirth
Shall sing our song!
Shall sing our song!

Paglakad natin ay mapanatag
Ang bandila ay masdan
Mananatiling nakawagayway,
ang pag asa'y may buhay
Pagkakaisa'y nararapat,
magmamahalan ng tapat
Kapag ang daigdig ay nagkakaisa,
tayong lahat liligaya
