Dear Sir:

Greetings in Jesus Name!

Our school would like to ask your permission to invite all public and private schools in Tagbilaran to a friendly Robotics Tournament on March 18, 2023. There will be no registration fees, and prizes will be provided by the school.

The games would include Sumobot, Basic and Advance Line-tracing, and a special challenge.

We take this initiative for our students to be able to engage, learn, and improve with other schools having robotics program.

We hope we will be given the chance to invite others.

Sincerely,
