The Philippines can develop holistic learners who are steeped in values and equipped with 21st-century skills through dedicated and qualified teachers. This is in consonance with the Department of Education's vision of producing "Filipinos who passionately love their country and whose values and competencies enable them to realize their full potential and contribute meaningfully to building the nation" (DepEd Order No.36, s. 2013). Philippine Professional Standards for Teachers (PPST), Domain 7: Personal Growth and Professional Development accentuates teachers' proper and high personal regard for the profession by maintaining qualities that uphold the dignity of teaching such as caring attitude, respect, and integrity.

Lumina Foundation for Integral Human Development (LFIHD) and Network of Professional Researchers and Educators (NPRE) acknowledge the effort and dedication of our educators and researchers. With this, Luminary Awards for Educators and Researchers is organized to recognize educators and researchers in the country for their invaluable contributions to the academe.
