

Republic of the Philippines
Department of Education
REGION VII - CENTRAL VISAYAS
DIVISION OF CITY SCHOOLS - TAGBILARAN CITY

Office of the Schools Division

DIVISION MEMORANDUM

MLA - 2023 - CID - 060

TO : **The Principals of the following Schools:**
Dr. Cecilio Putong National High School
Manga National High School
Tagbilaran City Science High School

FROM : **WILFREDA D. BONGALOS PhD, CESO V**
Schools Division Superintendent 

SUBJECT : **CONDUCT OF THE DOST SEI - 2023 CLIMATE SCIENCE YOUTH CAMP**

DATE : April 5, 2023

1. This office through the Curriculum Implementation Division (CID), favorably supports the participation of the identified three (3) public schools of Tagbilaran City Schools Division in the conduct of the 2023 Climate Science Youth Camp (CSYC) on May 02 - 10, 2023 here in the Province of Bohol organized by the DOST - SEI.
2. The aim of the CSYC will promote oceanography and meteorology as field of study and as career to strengthen the S & T human resource in the country.
3. The activity entails participation of 2 students per school. Hence, the schools involved are requested to submit a catch-up plan to facilitate the continuity of learning on days where students are out of the classroom and make sure that parental consent are secured. Kindly, submit the catch-up plan to DepEd Division Office through the Education Program Supervisor in Science at cherrymichelle.collyer@deped.gov.ph.
4. Listed below are the participants in the 2023 Climate Science Youth Camp (CSYC) activity.

Name of School	Principal/School Head	Student Participants
1. Dr. Cecilio Putong National High School	Maurine C. Castano	1. Precious Ann B. Genoso 2. OlynnFranzel C. Tenajeros
2. Manga National High School	Grace Marie L. Campos	1. Erika T. Bacan 2. Rian Jay Epe
3. Tagbilaran City Science High School	Justino M. Canda	1. Jan Anderson E. Pabe 2. Josette Mae R. Sagaral

4. Immediate dissemination of and compliance with this Memorandum are directed.

 3:40 PM

Dear Dr. Jimenez,

Greetings!

The Department of Science and Technology – Science Education Institute (DOST-SEI) is pleased to have you as our partner for this year's in-person conduct of Climate Science Youth Camp (CSYC). The CSYC aims to promote oceanography and meteorology to public high school students as fields of study and as careers to strengthen the S&T human resource in the country. We would like to express our gratitude for allowing us to conduct the CSYC to serve high school students and teachers from your region as participants. We would also like to thank you for sending your representatives to attend the preliminary meeting held last March 7, 2023 at the DOST – Provincial S&T Office.

As agreed in our meeting, we are sending this letter to request for a Regional Memorandum to enjoin the 20 public high schools in the Province of Bohol identified to participate in this year's CSYC:

1. Alicia Technical Vocational High School
2. Batuan National High School
3. Calape National High School
4. Cangawa National High School
5. Corella National High School
6. Guinacot National High School
7. Hinlayagan National High School
8. Inabanga High School – Nabuad
9. Lonoy Heroes Memorial High School
10. Mahayag National High School
11. Pres. Carlos P. Garcia Technical Vocational School of Fisheries and Arts
12. San Agustin National High School
13. San Jose National High School
14. San Miguel Technical Vocational School
15. Sierra Bullones Technical Vocational High School
16. Ubay National Science High School
17. Dr. Cecilio Putong National High School
18. Manga National High School
19. Tagbilaran City Science High School
20. Lourdes National High School

We would like to inform you that the participants from each school shall be composed of two (2) grade 8 or 9 students of equal sex and one (1) accompanying teacher.

The DOST-SEI shall shoulder all expenses relative to the conduct of the CSYC, such as transportation, accommodation, meals, and travel insurance of all participants. Likewise, each participant will be receiving a Camp Kit containing event shirt, cap, bag, tumbler, rash guard, and hygiene kit.

In light of this, we would also like to request your Office to send the attached invitation letters to the abovementioned schools and inform the school principal to accomplish the attached confirmation slip. We would appreciate receiving the signed confirmation slip on or before April 03, 2023 via email at sciencecamp.sei@gmail.com

Likewise, we would like to invite you to give the **Welcome Remarks for the CSYC Opening Ceremony on May 03, 2023, 09:00 AM** at the Bohol Bee Farm, Dao, Dausi, Bohol. Attached is the copy of Opening Program for your reference.

Should you have questions/inquiries about the camp, please refer to the attached camp guideline or you may reach Ms. Marren Joy Belgado-Aquino at (02) 8710-7462 or mobile at (Smart – (0969)2722984 / Globe – (0966) 8861714).

Thank you and we look forward to your valuable support to this year's Climate Science Youth Camp.

Very truly yours,

PHILIP J. BUE

THE PRINCIPAL
ALICIA TECHNICAL VOCATIONAL HIGH SCHOOL
Poblacion, Alicia, Bohol

Dear Sir/Madam:

Greetings!

We are pleased to inform you that the Department of Science and Technology, through the Science Education Institute (DOST-SEI) is conducting the 2023 Climate Science Youth Camp for public high school students on May 02 to 10, 2023 in the Province of Bohol.

The Climate Science Youth Camp (CSYC) aims to promote oceanography and meteorology as field of study and as a career to strengthen the S&T human resource in the country. The knowledge and exposure to the various concepts in environmental science and their applications along with the concepts of innovation and leadership among public high school students will help them understand the dynamics of ocean and infer the effects of climate change to earth systems. Experts from the Marine Science Institute (MSI) of the University of the Philippines (UP) and Department of Science and Technology - Philippine Atmospheric Geophysical Astronomical Services Administration (DOST-PAGASA) will mentor the participants in various activities of the camp.

In light of this, we would like to invite two (2) grade 8 or 9 students of equal sex and one (1) accompanying teacher from your school to participate in the 2023 Climate Science Youth Camp. DOST-SEI shall shoulder all expenses relative to the conduct of the CSYC such as transportation, accommodation, and meals of participants. Likewise, each participant will be receiving a Camp Kit containing event shirts, cap, bag, tumbler, rash guard, and hygiene kit.

Should you accept our invitation, kindly accomplish, and sign the attached confirmation slip and send it back to DOST-SEI **on or before April 03, 2023**, via email at sciencecamp.sei@gmail.com.

Should you have questions/inquiries about the camp, please refer to the attached camp guideline or you may reach Ms. Marren Joy Belgado-Aquino at (02) 8710-7462 or mobile at (Smart – (0969) 2722984 / Globe – (0966) 8861714).

Thank you and we hope to have your students and teachers in this year's Science Camp.

Very truly yours,

Dear **Sir/Madam**:

Greetings!

We are pleased to inform you that the Department of Science and Technology, through the Science Education Institute (DOST-SEI) is conducting the 2023 Climate Science Youth Camp for public high school students on May 02 to 10, 2023 in the Province of Bohol.

The Climate Science Youth Camp (CSYC) aims to promote oceanography and meteorology as field of study and as a career to strengthen the S&T human resource in the country. The knowledge and exposure to the various concepts in environmental science and their applications along with the concepts of innovation and leadership among public high school students will help them understand the dynamics of ocean and infer the effects of climate change to earth systems. Experts from the Marine Science Institute (MSI) of the University of the Philippines (UP) and Department of Science and Technology - Philippine Atmospheric Geophysical Astronomical Services Administration (DOST-PAGASA) will mentor the participants in various activities of the camp.

In light of this, we would like to invite two (2) grade 8 or 9 students of equal sex and one (1) accompanying teacher from your school to participate in the 2023 Climate Science Youth Camp. DOST-SEI shall shoulder all expenses relative to the conduct of the CSYC such as transportation, accommodation, and meals of participants. Likewise, each participant will be receiving a Camp Kit containing event shirts, cap, bag, tumbler, rash guard, and hygiene kit.

Should you accept our invitation, kindly accomplish, and sign the attached confirmation slip and send it back to DOST-SEI **on or before April 03, 2023**, via email at sciencecamp.sei@gmail.com.

Should you have questions/inquiries about the camp, please refer to the attached camp guideline or you may reach Ms. Marren Joy Belgado-Aquino at (02) 8710-7462 or mobile at (Smart – (0969) 2722984 / Globe – (0966) 8861714).

Thank you and we hope to have your students and teachers in this year's Science Camp.

Very truly yours,

JOSETTE T. BIYO, Ph.D.
Director
