To: Undersecretaries
Assistant Secretaries

Regional Directors
Minister, Basic, Higher and Technical Education, BARMM
Schools Division Superintendents

1. The Department of Education (DepEd), through the Bureau of Learning Delivery (BLD), will conduct the **2023 National Festival of Talents (NFOT)** with the theme, **Reinforcing 21st Century Learning and Fostering Creative Industries through Talents and Skills Exhibition** in Region X (Northern Mindanao) from July 17 to 21, 2023 (inclusive of travel time).

2. As provided in the Republic Act (RA) 10533, titled An Act Enhancing the Philippine Basic Education System by Strengthening Its Curriculum and Increasing the Number of Years for Basic Education, Appropriating Funds Therefore and for Other Purposes, and DepEd Order (DO) No. 021, s. 2019, titled Policy Guidelines on the K to 12 Basic Education Program, consistent with the DepEd goal of producing functionally literate and holistically developed Filipinos, all NFOT events are aligned with the essential learning competencies and standards of the K to 12 curriculum.

3. The NFOT, as a co-curricular activity, is a clear and proactive reinforcement of the teaching and learning process and reflects the significant association between what the learners learned in school and what they performed and produced during this activity. The conduct of NFOT is consistent with the MATATAG education agenda: **TA**ke care of learners by promoting learner well-being, inclusive education programs, and ensuring that all learners, regardless of background, have access to quality learning opportunities and services.

4. Participation in the 2023 NFOT is **voluntary** and shall not, in any way, affect the time-on-task of teachers as this activity's target learning standards and competencies are already embedded in teachers' actual classroom teaching and assessment process.

5. For the past years, NFOT has provided basic education learners with relevant and meaningful learning opportunities and reflected on how well they perform in schools as the target learning competencies of this activity are also captured in the National Achievement Test (NAT). Specifically, NFOT enables learners to demonstrate their best products, services, and performances as authentic pieces of evidence of their learning across academic areas, key stages, inclusion, and special curricular programs.

6. With the passage of RA 11904, titled Philippine Creative Industries Development Act, DepEd is expected to contribute to achieving the much-needed protection and preference of local creatives and products. As such, NFOT, as one of the major activities of DepEd, will contribute toward the attainment of developing learners' talents and skills in creative industries.

7. For this year, the **2023 NFOT** aims to provide opportunities for learners from public and private elementary and secondary schools, as well as those from the Alternative Learning System (ALS), Indigenous People Education (IPED), Special Needs Education Program (SNEd), and Madrasah Education Program (MEP) to showcase their talents and skills and explore the culture of the host region. It also provides a platform for strengthening teachers' and learners' knowledge and skillsets as they listen to the invaluable insights shared by the invited panel of experts.

8. The events of the 2023 NFOT shall be conducted in different modalities: in-person, online, video recorded, and hybrid. Specific details and all the procedures on the conduct of NFOT can be found in Enclosure No. 3: Specific Guidelines for Skills Exhibition for Each Event Category.

10. To ensure the safety, health, and well-being of all participants and delegates of the 2023 NFOT, strict observance of minimum health protocols shall be implemented such as, but not limited to, social distancing, body temperature monitoring, wearing of face mask, and sanitation of event premises in compliance with the existing rules and regulations set forth by the Inter-Agency Task Force (IATF).
