## Organizational Profile

### The Organization

The Philippine Information Office, Inc. is a non-stock and non-profit organization which aims to render public service through information dissemination, training programs, and other special projects for the Filipinos.

Established on January, 5, 2006, the Organization has since rendered projects like medical missions in local barangay, trainings on disaster awareness and prevention, crime scene investigation, and many others.

The Organization's purest aim is to empower Filipinos with the information they need to alleviate their lives and prepare them for the necessary unexpected disaster that hit our country every so often. The Organization supports the campaign of the government in beating poverty through knowledge and information.

### Vision

The Organization's vision is to be one of the Government's leading associate in terms of information dissemination and to be one of the recognized leading partners in implementing its projects.

In order for the Organization to achieve this vision, the Organization continually renders its service through effective and intensive training programs, increasing its scope of projects and extending it to the provincial level, and strengthening its commitment to public service. The Organization ensures the attainment of this vision by:

- Conceptualizing more projects for our countrymen.
- Adding its pool of manpower to cover more scope.
- Continually strengthening its network for better information dissemination.

### Mission

The Organization's mission reflects the ultimate reason for our existence. One of them is to provide information as a ready and available medium to all. Another is to attain better coverage in the scope of its projects and effectively communicate to its target market.

### Core Values

Our organization is committed to:

- Excellence
- Service
- Honesty
- Social Responsibility
