DR. SALUSTIANO T. JIMENEZ
Regional Director – Region VII
Department of Education
Lahug, Cebu City, Philippines

Dear Dr. Jimenez,

Greetings!

I hope this email finds you well. On behalf of Casa College, I am writing to propose a partnership with high schools in the Philippines. Casa College is a medium-sized, privately owned educational institution in Cyprus that offers affordable, high-quality education. We believe in creating a small-scale yet culturally diverse learning environment. One of our chosen partnerships includes schools in Region VII, as we think of this area's immense potential and talent.

We are excited to announce that Casa College has recently opened its doors to Filipino students who wish to study abroad through our Study and Work Program. This program provides a unique opportunity for students to pursue higher education in Cyprus while gaining practical work experience. Our mission is to equip students with the skills needed to succeed in a globalized society specifically designed for those interested in hospitality and tourism.

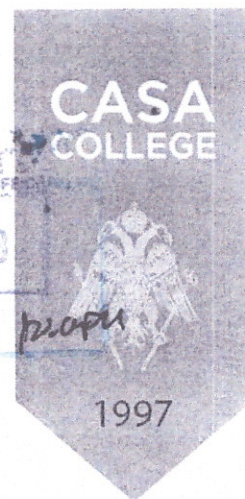

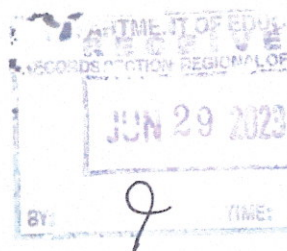

At Casa College, we hold the values of equity, integrity, collaboration, respect, continuous improvement, and quality in high regard. These values guide our approach to education and shape our commitment to our students.

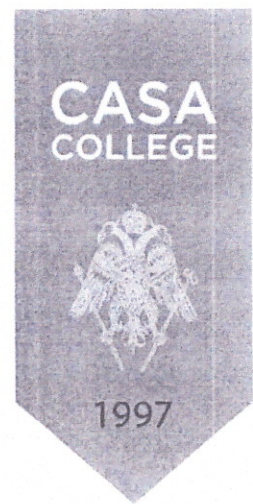

We strongly value international collaboration and cultural exchange. Our diverse student body comprises individuals from different backgrounds and nationalities, fostering mutual respect and understanding. This enriches the educational experience at Casa College.

In addition to our commitment, we strive to make education accessible and affordable. Scholarships and financial assistance options are available to support deserving students in pursuing their dreams of a quality international education.

Through this proposed partnership, we offer the following benefits to participating high schools:

- **Scholarships:** Casa College will provide several scholarships to deserving students from Region VII high schools.
- **Sponsorship of Selected School Activities:** We are willing to sponsor and support various school activities such as academic competitions, Career Guidance, and Graduation events.
- **Work Opportunities:** Students enrolled at Casa College can work part-time or undertake Summer Paid internship programs at four or 5-star hotels in Cyprus, enhancing their practical skills and exposure to diverse work environments.

By working together, we can open doors to opportunities for our students. I would like to meet with you online to discuss this partnership proposal further. Don't hesitate to contact me through WhatsApp at +639177724217 or 10720@casacollege.ac.cy to arrange a convenient time for a meeting.

Thank you for considering our partnership proposal and looking forward to working together to provide exceptional educational opportunities for Filipino students.

Sincerely Yours.

VIO CORTEZ
