SUBJECT : **SCHOOL-BASED PARENT ORIENTATION ON THE
CONDUCT OF THE NATIONAL LEARNING CAMP
FOR GRADE 7 AND 8 LEARNERS**

DATE : July 3, 2023

1. The Department of Education recognizes that learners need to be supported to address the learning losses arising from, among others, the COVID-19 pandemic. Results from national achievement tests (NATs) and international large-scale assessments (ILSAs) highlight the need for additional teaching support to enhance learners' academic performance; as well as the important role of teachers in learning recovery. DepEd "is committed to supporting teachers, and taking cognizance of unequivocal evidence that good teachers are vital to raising student achievement. Quality learning is contingent upon quality teaching" (DO 42, s. 2017, p. 1).

2. The National Learning Camp serves a two-fold objective: to improve learners' outcomes and to strengthen teacher competence so they can teach better.

It is designed to:

- 2.1 improve student learning in the form of enhancement, consolidation, or intervention programs in all learning areas for kindergarten to 12 learners; and
- 2.2 enhance teacher capacity.

3. In this regard, the Curriculum Implementation Division supports the conduct of the National Learning Camp for Grade 7 and 8 learners. Schools are requested to conduct school-based orientation to parents for wide information dissemination before the implementation of the National Learning Camp this coming July 24 – August 25, 2023.

4. Immediate dissemination of this memorandum is desired.
