The City Government of Tagbilaran remains steadfast in its commitment to fostering a culture that recognizes and respects the vital role of women in our society. The upcoming National Women’s Month 2024 celebration, anchored on the theme “Lipunang Patas sa Bagong Pilipinas: Kakayahan ng Kababaihan, Patutunayan!”.

As educators and leaders in our community, we are aware of the challenges faced by our youth, and one issue that demands urgent attention is the alarming rate of teenage pregnancies in the City of Tagbilaran. Recent statistics have shown a disturbing increase in teenage pregnancies, posing significant risks to the health, well-being, and future prospects of our young people. This serves as a wake-up call for all sectors of society to come together and address this issue.

In light of this, we are requesting for your full support, as Schools Division Superintendent, by issuing a directive to the principals of the public high schools in Tagbilaran City to send ten (10) participants – nine (9) students (junior high or senior high, preferably a combination of student council officers and school paper staff members) and one (1) teacher-chaperone for each school, to the International Women’s Day 2024 Program and Teen Pregnancy Symposium on March 8, 2024 (Friday) 1:00 p.m. at the Tagbilaran City Hall Atrium, Tagbilaran City, Bohol. This event aims to enlighten and empower our youth by providing them with real-life testimonies from a teenage mother and a mother of a teenage mom.

Together, we can create a safer and more supportive environment for our young people to thrive and achieve their full potential. Attached is the program for your information and guidance.

Your positive response will open doors to working together in addressing this critical issue facing our community.

Very truly yours,

JANE CENSORIA C. YAP
