[NGC 2024] Request for Division Advisory.pdf:

Warmest greetings!

The **University of the Philippines Geological Society (UP GeoSoc)** is an academic organization based in the National Institute of Geological Sciences, UP Diliman. Every year, the organization conducts the **National Geology Congress (NGC)**, with the goal of promoting the importance of earth sciences in our daily lives. The 2024 NGC is geared towards a **completely face-to-face setup**. It will be conducted at **UP Diliman on April 5 and 6, 2024**.

In line with this, we are humbly asking your good office for the **issuance of DepEd Advisory** of the activities we have prepared, and its **dissemination to the secondary schools of your division**. Below are the events of the 2024 NGC.

### 1. **ARETE: Earth Science Teachers' Seminar – April 5**

A seminar that aims to equip high school teachers with supplementary knowledge on how to effectively teach Earth Science in the K-12 curriculum.

Registration link: <https://tinyurl.com/2024ESTS>

### 2. **TALAGHAY: High School Workshop – April 5**

A workshop that aims to widen the participating students' understanding of geology through various lectures and laboratory activities.

Registration link: <https://tinyurl.com/2024HSW>

### 3. **GEOQUIZ: An Earth Science Competition – April 6**

A contest for high school students that aims to test their earth science knowledge and their ability to think analytically under time pressure.
