F. INTRODUCTION AND OVERVIEW

As the premier humanitarian organization in the Philippines especially in Bohol, the Philippine Red Cross through its six major services namely: Safety Services, National Blood Services, Welfare Services, Disaster Management and Response, Health Services, and the Red Cross Youth; has provided many avenues for the youth to participate and engage in fulfilling and enriching activities/programs. Through its unwavering drive to provide the youth with a platform for genuine involvement and dialogue, the Philippine Red Cross – Bohol Chapter, Chapter Youth Council has stayed committed to the mission of the Red Cross.

Due to the effects of the recently concluded Covid-19 pandemic, the Chapter Youth Council has gone through a period of revival and re-establishment. To renew their duties and responsibilities to the youth, the Chapter Youth Council has seen fit to bring back the annual tradition of conducting a youth-led and participated summer camp.

The Bohol Red Cross Youth Summer Camp is a 4-day annual camping activity of the organization open to all youth (13-25 years old) to embrace the beauty of nature as well as to enhance teamwork experiences through outdoor games and other environment-friendly competitions, indoor interactive leadership sessions, and opinion-sharing over vital youth and current issues.

This year's theme: "Revive, Reconnect, Rebuild: Welcome Back to Camp!". The participants will face various approaches that will enhance their drive towards taking good care of our environment and ecosystem through our different indoor and outdoor challenges.
