DIVISION MEMORANDUM

CID-2024- 089

TO : **The Principals of the following Schools:  
Dr. Cecilio Putong National High School (JHS)  
Tagbilaran City Science High School**

FROM : **WILFREDA D. BONGALOS PhD CESO V**  
Schools Division Superintendent

SUBJECT : **GIRLS AND SCIENCE, GIRLS IN SCIENCE (GASGIS)  
You Have the Power! Workshop**

DATE : June 10, 2024

1. The Department of Energy Gender and Development (DOE-GAD) Focal Point System has lined up for this year various activities, all geared towards promoting consciousness-raising initiatives among girls and women. One of these activities is the **Girls and Science, Girls in Science (GASGIS) – You Have the Power! Workshop** which aims to actively engage female students in scientific inquiry while simultaneously encouraging and inspiring them to pursue careers in the sciences and reinforcing awareness in energy efficiency and conservation.

2. In view thereof, this Office through the Curriculum Implementation Division (CID) would like to invite **Tagbilaran City Science High School and Dr. Cecilio Putong National High School (JHS)** to participate in the GASGIS Workshop. The workshop is tentatively scheduled for the following dates:

**2.1. Tagbilaran City Science High School – September 24-25, 2024**

**2.2 Dr. Cecilio Putong National High School – September 26-27, 2024**

3. The venue for the workshop is yet to be finalized; it will either be held at the participating school or in a larger venue in Tagbilaran City. The workshop will include activities such as presentations and lectures on women scientist, chemistry, geology, and energy, as well as exercises and experiments in chemistry, geology, and energy utilization and conservation.

4. The DOE will provide lunch and snacks for the participants during the activity. The students will also receive Girls and Science, Girls in Science – You Have the Power! T-Shirt, an Eco Bag, and a Workshop kit, among others.

Dear Dr. Bongalos,

Good day!

I am Donna Pastoral from the Department of Energy.

The Department of Energy Gender and Development (DOE-GAD) Focal Point System has lined up for this year various activities that are geared toward consciousness-raising among girls and women. One of these activities is the "Girls and Science, Girls in Science (GASGIS) - You Have the Power!" Workshop for **Grade 9 female students**. In this connection, we are inviting Tagbilaran City Science High School and Dr. Cecilio Putong National High School to be the beneficiaries of the said workshop tentatively scheduled for **September 24-27, 2024**.

Please find attached the formal invitation for more details about the workshop.

Looking forward to hearing from you.

Thank you.

Best Regards,

**Donna Belle R. Pastoral**

Dr. Wilfreda D. Bongalos  
Schools Division Superintendent  
Tagbilaran City Schools Division  
Bohol

Dear Dr. Bongalos,

The Department of Energy Gender and Development (DOE-GAD) Focal Point System has lined up for this year various activities, all geared towards promoting consciousness-raising initiatives among girls and women. One of these activities is the **Girls and Science, Girls in Science (GASGIS) - You Have the Power! Workshop** which aims to actively engage female students in scientific inquiry while simultaneously encouraging and inspiring them to pursue careers in the sciences and reinforcing awareness in energy efficiency and conservation.

In connection with this, we would like to extend our invitation to Tagbilaran City Science High School and Dr. Cecilio Putong National High School to participate in the GASGIS Workshop. The workshop is tentatively scheduled for the following dates:

September 24-25, 2024: Tagbilaran City Science High School  
September 26-27, 2024: Dr. Cecilio Putong National High School

The venue for the workshop is yet to be finalized; it will either be held at the participating school or in a larger venue in Tagbilaran City. The workshop will include activities such as presentations and lectures on women scientists, chemistry, geology, and energy, as well as exercises and experiments in chemistry, geology, and energy utilization and conservation.

The DOE will provide lunch and snacks for the participants during the activity. The students will also receive Girls and Science, Girls in Science – You Have the Power! T-Shirt, an Eco Bag, and a workshop kit, among others.

If you would accept our invitation, we will be requesting the schools for a list of names of **one hundred (100) Grade 9 female student participants and five (5) teachers** per school, with their respective nicknames.

Thank you and we look forward to your favorable response.

Very truly yours,

Donna Belle R. Pastoral
