HON. SARA Z. DUTERTE

Secretary

Department of Education

Dear Secretary Duterte:

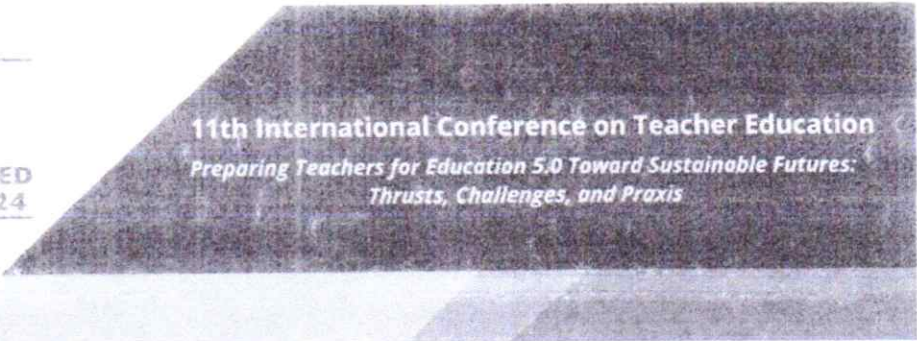

Warmest greetings from the University of the Philippines (UP) College of Education!

We are writing to request for an official endorsement of the forthcoming **11th International Conference on Teacher Education (ICTED)** from **13 to 15 November 2024** in **Iloilo Convention Center, Iloilo City**.

The theme for the ICTED 2024 is *Preparing Teachers for Education 5.0 Toward Sustainable Futures: Thrusts, Challenges, and Praxis*. This conference aims to gather teacher educators, researchers, policy makers, students, and allied professionals to share experiences and diverse perspectives. We envision this conference to examine the extent of how advances in technology have resulted in changes in education [thrusts and praxis]; and underscore that technology should serve the best interests of both learners and teachers (UNESCO Global Education Monitoring Report, 2023).

We have invited Dr. John Creswell, a senior research scientist in the Michigan Mixed Methods Program at the University of Michigan to deliver the keynote address and other local and international scholars to share their expertise on different education topics.

We are seeking the issuance of an advisory from the Department of Education to broaden the participation of public and private school administrators and teachers. We also request for the advisory to identify that travel as well as conference expenses be charged to local funds, especially for those who will come from outside Region VI. Finally, we ask permission for the use of the DepEd logo in all our publicity materials once this request is approved.

For your reference, here are the registration rates. You may refer to the ICTED website (<https://ictedph.upd.edu.ph>) and to the official Facebook Page, ICTED PH (<https://www.facebook.com/ICTEDPH>), for updates regarding the registration process and other pertinent announcements.
