Dear **Dr. Bongalos**,

Greetings in Saints La Salle and Benilde!

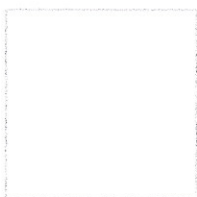

The De La Salle-College of Saint Benilde, School of Deaf Education & Applied Studies (SDEAS), in collaboration with the Rochester Institute of Technology in the United States and Dong Nai University in Vietnam, is currently undertaking a five-year initiative known as "Growing Regional Opportunities for Work" (Deaf GROW). This endeavor has been made feasible through the generous backing provided by The Nippon Foundation.

As part of this initiative, we will be organizing career consultation sessions for senior high school deaf students. The primary aim is to assist them in charting their future professional paths. The specific objectives of this endeavor are: 1) Advocating the belief among senior high school deaf students that their potential knows no bounds, 2) Introducing a wide range of viable career options available to them, and 3) Arranging opportunities for these students to interact with accomplished deaf professionals who can serve as role models.

We cordially request your esteemed support in **endorsing this session to schools with Grade 11 and Grade 12 Deaf students in Tagbilaran, that will be held on 26 September 2024**. If you are inclined to collaborate with us or have any inquiries, please do not hesitate to reach out to our Advocacy Coordinator, Mr. Francis Ethelbert M. Pagaduan, at francisethelbert.pagaduan@benilde.edu.ph or through our office mobile 0917.869.8231.

We eagerly anticipate the opportunity to collaborate with you.

Sincerely,
