Dr. Salustiano T. Jimenez
Regional Director
Department of Education -- Regional Office VII
Sudlon, Lahug, Cebu City

Dear Director Jimenez:

The **UP Molecular Biology and Biotechnology Society (UP MBBS)** is a duly recognized academic student organization based at the National Institute of Molecular Biology and Biotechnology, College of Science, University of the Philippines Diliman. We aim to promote science and technology, especially molecular biology and biotechnology, among the Filipino public.

With this objective in mind, our organization will hold the **29th Biosciences Quiz Bee**, an event open to both public and private high schools in the Philippines. The quiz bee aims to challenge students in terms of their theoretical knowledge and problem solving skills in molecular biology and biotechnology, biology, chemistry, physics, mathematics, and earth science. More than two hundred students join the quiz bee annually. Last year, 36 participating teams from schools all over the country joined the 28th Biosciences Quiz Bee. This year's quiz bee will be held on **November 23, 2024** at UP Diliman.

In line with this, we would like to request the issuance of an **Advisory from the Department of Education – Regional Office VII regarding the 29th Biosciences Quiz Bee**. A DepEd Advisory would allow for the easier dissemination of information regarding our event and help us widen our reach, especially among public high schools in Region VII. Please find the attached relevant documents pursuant to the requirements for the said Advisory:

- (1) the general information/entity profile of our organization,
- (2) our certification as a duly recognized, university-registered student organization,
- (3) a detailed description of the activity to be conducted, and
- (4) a list of activities previously hosted by UP MBBS.

We hope for your favorable response in helping us reach out to more high school students in the spirit of fostering academic excellence and love for science and technology.

For any concerns, please reach us through the contact information listed below.

Kindest regards,

Albert Matthew Pasigui
