Dear Mayor Yap:

**Greetings from the center of culture, science, and heritage promotion and preservation in the island province of Bohol!**

In line with the celebration of the annual Museums and Galleries Month, the National Museum of the Philippines – Bohol in collaboration with the Provincial Government of Bohol's Center for Culture and Arts Development (CCAD) seeks to engage the public project titled "**WHY MUSEUMS MATTER**" which brings to the fore the key message of this year's #MGM2024 celebration with the theme "*Honoring Traditions, Fostering Innovations*".

Recognizing the complexities of balancing tradition with innovation in today's rapidly evolving cultural landscape, this project seeks to address the critical role museums play in preserving the foundational aspects of our heritage, culture, and traditions, and in fostering new paradigms of creative thought and innovations. The project features a lecture series, museum tours, and museum night public viewing throughout the Saturdays of October 2024.

In this light, we respectfully seek your assistance in securing performers for the "**WHY MUSEUMS MATTER**" lecture series. Specifically, we would like to request the participation of the "**Tagbilaran City Rondalla**" for any of the following schedule that aligns with their availability:

Lecture Series	Date	Time	Venue
<b>Series 2: Why Museums Matter: On Storytelling</b>	11 October 2024	1:30-2:00 PM	NMP-Bohol
<b>Series 3: Why Museums Matter: On Museum Objects and Conservation</b>	18 October 2024	1:30-2:00 PM	NMP-Bohol
<b>Series 4: Why Museums Matter: On Geopark Management</b>	25 October 2024	1:30-2:00 PM	NMP-Bohol

Relative to this, should you wish to engage additional talented performers from the Tagbilaran City Events, Culture, and Arts Office (CECAO), we would be more than happy to welcome and facilitate their participation to ensure the success of the event. Please let us know at your earliest convenience if this arrangement is possible and the steps, we should follow to facilitate this request.

Should you require any additional information or details regarding this request, please do not hesitate to contact us at 0963-643-7816 or 0927-5808-189.

Thank you very much and we hope to merit your utmost regard and consideration.

Respectfully yours,
