Dear **WILFREDA D. BONGALOS**

We pray that this letter finds you in good health and high spirits!

The Philippine Values Education Program Inc. has consistently served students of diverse backgrounds and grades throughout the Philippines for the past seventeen (17) years since its humble beginning in 2007. To this day, PVEP's teaching of Christian values has been committed to instilling in our children the importance of compassion, forgiveness, honesty, and other values central to the Christian faith universally accepted as good values without violating the principles of neutrality and inclusivity.

As a part of our pledge to support the DepEd's core values (MAKA-DIOS, MAKA-TAO, MAKAKALIKASAN AT MAKABANSA), we humbly request your permission to teach Christian values in the elementary and high schools as a means to establish a collaborative framework within the jurisdiction of the DepEd School Division of **Tagbilaran City** to satisfy the critical need for teaching, nurturing, and coaching Christian values among Filipino youth.

To ensure alignment with the DepEd's agenda and goals, PVEP developers and staff reviewed and revised the PVEP's "Life Seekers" manuals under the expert guidance of DepEd Zambales CID. In September 2023, all "Life Seekers" lessons from Kinder to Grade 12 were aligned with the ESP MELCS curriculum, then in June 2024, the "Life Seekers" lessons for Grades 1, 4, and 7 were aligned with the MATATAG curriculum. With the assurance of the alignment of PVEP with DepEd, PVEP's mission of teaching Christian values can help our children become better citizens and more empathetic individuals, ultimately contributing to a more harmonious society.

Attached to this letter is the Lesson Topic Matrix for your convenience.

Thank you for considering our request. We look forward to your favorable action on this matter!

Sincerely,
