Dear Ms. Wilfreda,

Greetings from the NSA Cadet Program!

The NSA Cadet Program is under the Norwegian Maritime Foundation of the Philippines, Inc. which facilitates maritime scholarship for aspiring Filipino seafarers. It offers BS Marine Transportation and BS Marine Engineering courses.

First and foremost, we are getting in touch again to your School's Division Office with the intention to offer the said scholarship to your qualified Grade 12 students or SHS graduates. We seek your assistance in disseminating this scholarship opportunity, especially among your SHS public schools.

Also, we would like to appeal if we could request for a facility or venue where we can hold our NSA Written Examination this coming October 30, 2024 where qualified students can attend and need not to travel to Manila anymore to take the examinations.

Students must apply online for them to be invited via <https://nsacadet.com/> and may input "your SDO name" as source of information.

Feel free to share our official announcement on the opening of NSA Cadet Program SY 2025 online applications, especially among your SHS public schools. You will find the whole post in this link: <https://www.facebook.com/NSACadetProgram>

Thank you very much to your positive support to the Program!

Sincerely,

**Kim Berly Marimar Bañares**
