SUBJECT: SCHEDULE OF FREE ASSESSMENT TO GRADE 12 TVL LEARNERS BATCH-1

DATE : NOVEMBER 8, 2024

1. As part of our commitment to ensuring the readiness and competence of our Grade 12-learners in the Technical-Vocational-Livelihood (TVL) track, in partnership with TESDA Bohol, we will be conducting the scheduled free assessment to evaluate their skills and proficiency. This assessment is crucial for them to acquire the necessary certifications, which will improve their employability prospects for better future. Please see the attached assessment schedules and assessment centers.
2. School Heads are directed to make preparation like reviewing all competencies and practical skills relevant to their specific TVL specialization/qualification, the dress code, valid school/ID, punctuality, health protocols, and parent's permit.
3. To ensure success of this endeavor, concerned TVL teachers are advised to accompany their learners throughout the duration of the assessment. On Saturday's schedule, the teacher will be given service credit. Food and transportation expenses incurred by the teacher relative to this activity are chargeable to school MOOE or any school funds subject to usual accounting and auditing rules and regulations.
4. Immediate dissemination and strict compliance of this Memorandum is highly sought.
