Dear Supt. Bongalos:

Greetings!

I am writing on behalf of FQM Criminology Review Center and Continuing Professional Development (CPD) Provider, the first and only CPD provider in the Davao region duly accredited by the CPD Council of Criminology of the Professional Regulation Commission (PRC) with Accreditation No. CRM-2021-023, to extend an invitation to your school for an upcoming national CPD webinars tailored specifically for those teachers with professional teacher's license.

Dubbed as **“Beyond Borders and Boundaries: Empowering Students through Global and Collaborative Learning,”** and scheduled on 14-15 December 2024, Saturday and Sunday, from 8:00 AM until 5:00 PM, I believe that said national webinar will be a valuable opportunity for the target teacher participants (licensed professional teachers) to enhance their professional skills and knowledge about essential strategies to foster a global mindset and collaborative teaching practices.

The expert webinar speakers will delve into the (a) significance of integrating global citizenship in educational curricula, and (b) power of teamwork in the educational setting.

Furthermore, this learning experience will offer a platform for networking and knowledge exchange with fellow professionals in the field. The target participants will have the chance to engage in discussions, ask questions, and gain fresh perspectives in breaking through traditional boundaries and embracing innovative practices for the 21st-century classroom.

In essence, details are as follows:

| Date             | Webinar Subtopic Title  | CPD Credit Units     | Online Platform | Registration Fee |
|------------------|---|----------------------|-----------------|------------------|
| 14 December 2024 | "Global Education and Citizenship: Nurturing Responsible Global Citizens "              | Ten (10) CPD Units * | Zoom            | Php 1,000.00     |
| 15 December 2024 | " Collaborative Learning and Team Teaching: Maximizing Student Engagement and Learning" |                      |                 |                  |
