EARTH HOUR 2025

The Department of Education (DepEd) supports the World Wide Fund for Nature (WWF) Philippines in the observance of Earth Hour 2025, from 8:30 to 9:30 p.m. on March 22, 2025.

With the local theme, Switch Off and Secure Water for All, this year's Earth Hour highlights the connection between water security, nature loss, and climate change. The celebration coincides with World Water Day, highlighting these critical issues.

DepEd officials and personnel at all governance levels, teachers, parents, and learners are encouraged to participate in the observance through the following activities:

1. Participating in Earth Hour by switching off lights and recording the hours spent on learning sessions for school using the Hour Bank. Log sheets can be downloaded from this link: <https://bit.ly/43zOpz0>. Submit the completed log sheets to mbordado@wwf.org.ph no later than March 21, 2025. 2. Conducting learning sessions on climate and environment; and
3. Mobilize the private sector to support Earth Hour by switching off their signage lights or some of the lights in their facilities, as their operations/business will allow.
