- In line with the Department of Education Regional Office's commitment to fostering continuous improvement in its programs and processes, and enhancing the curriculum to better serve learners, the Curriculum and Learning Management Division (CLMD) will conduct the Training-Workshop on Enhancing Lesson Scripts and Instructional Plans in Creative Technology for the Special Program in Science Through Robotics and Artificial Intelligence Integration on June 23-26, 2025, at the DepEd Ecotech Center, Sudlon, Lahug, Cebu City.
- The objectives of the Training-Workshop are to:
 - enhance lesson scripts and instructional plans for Creative Technology by integrating Robotics and Artificial Intelligence to improve teaching delivery;
 - engage in curriculum mapping workshops to identify key areas where Robotics and AI concepts can be meaningfully embedded into lesson content; and
 - develop and present enhanced lesson scripts showcasing innovative, technology-integrated instructional strategies for the Special Program in Science.
- For reference, please see the following enclosures:
 - Enclosure 1: List of Training Participants
 - Enclosure 2: Training Matrix
- The board and lodging of participants shall be charged to the 2024 BEC Fund - Program Support Fund for the Development of Lesson Scripts for the National Reading Program (NRP), National Mathematics Program (NMP), and Catch-up Fridays (CUFs) under OSEC-7-24-04174, while travel and other incidental expenses shall be charged against Division and School MOOE, subject to the usual accounting and auditing rules and regulations.
