Bosco EdTech Summit 2025

Transformative Education: Advancing
Learning in a Technology-Driven Age

November 21-22, 2025

March 20, 2025

TO: SCHOOL HEADS
Private and Public Educational Institutions

Greetings from Don Bosco!

In response to the evolving landscape of education, our educational network will hold the *Bosco EdTech Summit 2025* with the theme, “*Transformative Education: Advancing Learning in a Technology-Driven Age.*” This event will take place from **November 21 to 22, 2025**, at **Don Bosco Technical Institute of Makati City**.

This forum welcomes educators and school administrators from basic education, training centers, and colleges. Graduating undergraduate students and graduate school students are also encouraged to participate in the event. The following are the objectives of the event:

1. Foster cross-disciplinary dialogues on challenges and opportunities in a technology-driven education system;
2. Explore emerging trends, technologies, and research in shaping adaptive learning systems and educational practices; and,
3. Showcase educational technologies and their applications in education and training.

Key Topics:

- Navigating Education and Training in a Technology-Driven Age
- Redefining the Learning Experience through Adaptive Technologies

The forum will also feature panel discussions, paper presentations, and an exhibit of educational technology, led by distinguished local and international educational practitioners, educational technology providers, and industry partners, offering valuable insights into technology-driven education.

In line with this, we invite you to participate in this momentous event, organized by **Don Bosco Educational Centers - Philippines, Inc., Don Bosco One-TVET Philippines, Inc., and Don Bosco Tech ASEAN.**

The abstract submission and registration guidelines are on the next pages.

Should you have any questions, please contact us through this email address info@db1tvnet.org or this telephone number: 02-8723-2867

Thank you so much!

Respectfully yours,

fr. dindo, sdb
