DR. WILFREDA D. BONGALOS CESO V

Schools Division Superintendent
Schools Division of Tagbilaran City

Dear SDS Bongalos:

The Wandering Minds Science Mobile Exhibit is a traveling educational program we have proudly conducted since 2019. For over five years, we have brought science to life for thousands of students through modern, interactive, and immersive exhibits that make learning exciting and meaningful. Each year, we update and expand our offerings to stay aligned with current scientific and technological advancements. May we humbly request your *advisory for our co-curricular activities*, in accordance with the policies and guidelines stipulated in DepEd Order No. 9, s. 2005, entitled "Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith."

We aim to continue inspiring and engaging students nationwide through our interactive learning experiences, designed to complement the K-12 curriculum and instill a deep appreciation for science and technology. Our updated program includes:

- Wandering Minds Space Dome Mobile Planetarium Experience
- The Ultimate 3D Science Experience
- Jurassic On Wheels and the World of AI (updated with new AI simulations and exhibits)
- Aquadome: An Immersive Journey into Aquatic Life and Environmental Stewardship – launching by Q4 of 2025

All programs are aligned with the provisions of DepEd Order No. 9, s. 2005 and will be conducted on school campuses, with the assistance of our trained lecturers and facilitators. We assure the Department and participating schools that all financial contributions remain voluntary; our team ensures no pressure will be placed on students or schools to contribute and we are committed to making our exhibits inclusive and accessible to all students regardless of financial means.
