Dear Dr. Bongalos,

Greetings of peace and goodwill!

We are writing to express our sincere gratitude for allowing us to commence the Moral Recovery Program (MRP) sessions at your school, as part of our continuing efforts to strengthen values formation among students.

We intend to start the MRP sessions in June, as the new school year 2025–2026 is set to begin during this month. In close coordination with your esteemed office, we plan to conduct the MRP sessions for students from Grade 7 to Grade 10 in Junior High School and Grade 11 and Grade 12 in Senior High School. These sessions aim to promote ethical behavior, civic responsibility, and moral integrity among the youth, in alignment with our shared vision of nurturing well-rounded and values-oriented individuals.

We look forward to your support and cooperation in facilitating the implementation of the program.

Kindly let us know your preferred schedule and any additional requirements your school may have to ensure the smooth and successful conduct of the sessions.

We are deeply grateful for your steadfast support and for sharing in our commitment to the holistic formation of our students.

Respectfully yours,

JOHN ROMEA
MRP TAGBILARAN
