Subject: Request for Permit to Partner with Schools in City Division of Tagbilaran for

SY 2025–2026

Dear Madam,

For nearly 18 years, the Philippine Values Education Program, Inc. (PVEP)—formerly known as the Northern Luzon Values Education Program, Inc.—has remained committed to advocating moral recovery in today’s fast-paced and ever-changing world. Through meaningful partnerships with various learning institutions across the Philippines, PVEP has offered Christian Values Education Programs designed to positively influence students and help them grow into responsible and value-driven citizens.

Furthermore, in pursuit of academic excellence and integrity, PVEP continuously updates and aligns its teaching and learning materials with the Department of Education’s national standards. Notably, our *LIFE SEEKERS* lessons are carefully aligned with the DepEd MATATAG curriculum and the Most Essential Learning Competencies (MELCs), ensuring that our values education program complements the existing academic framework.

As we approach School Year 2025–2026, we respectfully request the issuance of an official permit from the **Department of Education – Tagbilaran City** allowing us to renew previous partnerships and build new ones with schools within the different district of Tagbilaran City. Upon approval, this permit will enable PVEP to continue providing the following services:

- Facilitate Christian-based Values Education classes for elementary and high school students (please note: no specific doctrines or denominational-exclusive teachings are included in PVEP instruction);
- Assist school-initiated programs and events such as *Brigada Eskwela*, recollections, sports fests, and foundation days, and conduct special programs for the students upon request or approval; and
- Donate Bibles and other learning materials, if available, to school libraries to enrich student learning and engagement, particularly during PVEP sessions.

We have attached the official permits granted to PVEP by your esteemed office in previous years, along with the LIFE SEEKERS – DepEd MATATAG and MELCs alignment matrices. Please feel free to contact us if you require further information or clarification. We sincerely appreciate your continued support and look forward to a positive response. Thank you very much!

Warm regards,

Leo P. Pizana
PVEP Provincial Coordinator
