Dear Dr. Jimenez,

Good day!

We sincerely apologize for the confusion caused by our earlier email regarding the **Robo Z: Philippine Robotics Innovation Cup 2025**.

Please allow us to clarify that the **first leg of the competition is scheduled on October 11–12, 2025**, not October 24–25, 2025 as previously stated.

We apologize for any inconvenience this may have caused and thank you for your kind understanding.

Dear Dr. Jimenez,

Good day!

We respectfully present the **Robo Z: Philippine Robotics Innovation Cup 2025**, a **national robotics competition** hosted by **De La Salle Santiago Zobel School** in partnership with **ROBOREALM** and **PIESCO**. This initiative is designed to promote **Science, Technology, Engineering, Arts, and Mathematics (STEAM)** among Filipino youth through robotics innovation and competition.

Robo Z 2025 aims to gather student-innovators from across the country to engage in dynamic robotics challenges that test their creativity, engineering design, programming abilities, and collaborative skills. The event also integrates **research, critical thinking, and hands-on learning**, which are all aligned with the goals of the K–12 Curriculum. **It is also part of the STEM Skill Development Outreach Program.**

To officially inform public schools of this national event, we respectfully request an **Advisory Letter or Regional Memorandum** from your good office.

Below is the **Matrix of Activity** for Robo Z 2025:

Competition	Venue	Dates
Robo Z: Philippine Robotics Innovation Cup 2025 – 1st Leg	De La Salle Santiago Zobel School – Alabang Campus, Muntinlupa	October 11-12, 2025
Robo Z: Philippine Robotics Innovation Cup 2025 – 2nd Leg	De La Salle Santiago Zobel School – Alabang Campus, Muntinlupa	March 28–29, 2025

These events provide a **national platform** for both elementary and high school students, along with their coaches, to demonstrate excellence in robotics and innovation. The competition also cultivates values such as teamwork, perseverance, and digital citizenship.

We understand that these dates may coincide with the academic calendar of public school teachers. Therefore, we emphasize that **participation is purely voluntary**.

For updates and inquiries, you may contact us via email at jholan.torres@dlszobel.edu.ph / erjohn.ison@dlszobel.edu.ph or visit our official Facebook page: **Robo Z: Philippine Robotics Innovation Cup**.

Thank you very much for your continued support in advancing robotics education in the Philippines.

God bless!
