DIVISION MEMORANDUM
No.459, s. 2025

DIVISION LEARNING ACTION CELL (LAC) IN SCIENCE FOR KEY STAGE 3

To: All Public Secondary School Heads
All Others Concerned

1. To strengthen the implementation of the Revised K to 12 curriculum and improve science instruction and learning outcomes in elementary schools, this Office, through the Curriculum and Implementation Division (CID), shall conduct a **Division Learning Action Cell (LAC) in Science for Grades 7 and 8** (2pm onwards) at **Manga National High School, that focused on the Demo-Lecture for Grades 7 and 8 Learning Competencies in the Revised K to 12 Curriculum.**

2. This activity aims to:

- demonstrates effective science teaching strategies aligned with the Revised K to 12 Curriculum and 21st-century learning approaches;*
- applies varied teaching methods such as inquiry-based learning, use of manipulatives, and integration of technology to improve student engagement and understanding of scientific concepts;*
- showcase classroom management techniques that promote collaborative, student-centered learning in science classes;*
- foster professional reflection and peer feedback by analyzing the strengths and areas for improvement of the teaching session demonstrated; and*
- Promote a culture of sharing best practices in Science instruction to improve teaching performance and learner outcomes across grade levels.*

3. Participants on this Division LAC Sessions in Science are all grades 7 and 8 teachers handling science subject in all secondary schools of Tagbilaran City Schools Division.

4. Participants are expected to: bring copies of the unpacked learning competencies for grades 7 and 8; reference materials; and actively participate in collaborative planning and writing sessions.

5. The Division LAC shall be conducted on the following dates:

Grade Level	Schedule	Venue
Grade 7	August 8, 2025	Manga National High School
Grade 8	August 1, 2025	Manga National High School

6. Immediate dissemination of this Memorandum is directed.
