Dear ma'am:

Greetings!

The **Tagbilaran City Disaster Risk Reduction and Management Office**, in celebration of **National Disaster Resilience Month**, will have an exhibit aiming to showcase our assets and equipment and their applications. It will take place at the Tagbilaran City Hall Atrium.

In line with this, we are delighted to invite our students from elementary, JHS, and SHS, both from public and private schools, and also our Alternative Learning System (ALS) learners, to observe the exhibit. It is an excellent opportunity for them to gain insights into our City Government's capabilities and witness firsthand the measures we have put in place to enhance disaster resilience in our community.

The event will begin on July 28 and continue until July 30, 2025, from 8:00 AM to 4:30 PM. During this time, they will have the chance to view the various assets and equipment we employ, and learn about their functions and uses. They can also try our high lines and rappel mounted at the City Hall atrium. Our knowledgeable staff will be present to provide explanations and answer any questions they may have.

Your presence at the exhibit would be greatly appreciated, as it demonstrates your commitment to disaster resilience and your dedication to the well-being of our community. We anticipate a fruitful exchange of ideas and look forward to your valuable insights.

Thank you for your continued support, and we hope to see you at the Tagbilaran City Disaster Risk Reduction and Management Office NDRM Exhibit. May you be blessed with good health and prosperity.

Thank you and God Bless!

For a resilient Tagbilaran City,

GERARD M. LAVADIA
Tagbilaran City DRRM Officer
