1. In connection with Division Memorandum No. 587, s. 2025 and as agreed during the Program Implementation Review held on August 26, 2025, at Tagbilaran City Central Elementary School Library, please be informed that for SY 2025-2026, there will be no District Meet; instead, a Qualifying Round will be conducted for selected team sports with the most number of participating teams, as identified by the respective Tournament Managers. All schools are required to submit their official list of entries, duly endorsed by the School Sports Coordinator and concurred by the School Head, during the Planning Conference scheduled on September 22, 2025, at 1:30 PM at the Tagbilaran City Central Elementary School Audio Visual Hall. Participants of this conference are the identified Tournament Managers, School Principals, and School Sports Coordinators from both public and private elementary and secondary schools, who must also bring the list of recommended Technical Officials per event per school. Failure to submit the official entries will result in exclusion from the bracketing and scheduling of games during the Qualifying Round.

2. Before a team can play in the Qualifying Round as well as in the City Meet come December 4-6, 2025 they still need to secure a clearance from the Division Screening and Accreditation Committee (DSAC) prior to the conduct of their first game for the said Qualifying Round and in the City Meet for those sports events who will proceed directly to the City Meet. Credentials to be submitted for checking are already stipulated in Division Memorandum No. 587, s. 2025.
