1. Pursuant to Republic Act No. 9155, otherwise known as the Governance of Basic Education Act of 2001, and in line with the Department of Education's (DepEd) commitment to strengthen the operationalization of decentralization as embodied in DepEd Order No. 007, s. 2024, titled Policy Guidelines on the Implementation of the Revised School-Based Management System, the Department embarks on providing non-implementing public schools in 4th- and 5th-class municipalities with a School Innovation and Improvement Fund (SIIF) that primarily aims to mitigate the effects of inequities in access to education resources.

2. The SIIF shall be utilized exclusively for fiscal year 2025, to support school initiatives that target the improvement of learner performance, addressing the incidence of learning poverty as evidenced by the status of literacy and numeracy among Filipino learners.

3. To manage and ensure implementation of the SIIF, the following responsibilities shall be observed in various DepEd governance levels:

a. Schools shall revisit and review the Priority Improvement Areas on improving literacy and numeracy based on their School Improvement Plan and Annual Implementation Plan and existing learner assessment data;

b. Schools shall ensure that appropriate interventions are identified to address the priority improvement areas on literacy and numeracy;

c. Schools division offices (SDOs) shall ensure alignment of identified interventions with the needs of target learners, and whenever necessary, provide feedback and technical assistance;

d. Regional offices shall continuously capacitate the SDOs as providers of technical assistance; and

e. The Central Office shall ensure the effective implementation of the policy by

   i. allocating funds for school innovation and improvement;

   ii. providing necessary communication and advocacy materials; and

   iii. developing training programs for teachers, school heads, and other relevant DepEd personnel.

4. For more information, please contact the **Bureau of Human Resource and Organizational Development-School Effectiveness Division** through email at bhrod.sed@deped.gov.ph or telephone number (02) 8633-5397.

ALLOCATION AND RELEASE OF THE SCHOOL INNOVATION AND IMPROVEMENT FUND TO ELIGIBLE PUBLIC SCHOOLS TO STRENGTHEN DECENTRALIZATION AND ACCELERATE LITERACY INTERVENTIONS OF THE DEPARTMENT OF EDUCATION (DEPED) FOR FISCAL YEAR (FY) 2025

I. RATIONALE

The Department of Education (DepEd), through DepEd Order No. 007, s. 2024, or the *Policy Guidelines on the Implementation of the Revised School-Based Management (SBM) System*, promotes effective school management by fostering stakeholder collaboration to improve the learning environment. Guided by Republic Act (RA) No. 9155, the SBM Framework advances decentralized decision-making and participatory governance through mechanisms such as the School Governance Council (SGC). While the law does not mandate specific resources, it empowers schools to respond to local needs and address inequities more directly.

Despite these policies, disparities persist among schools in resources, stakeholder engagement, and access to basic education inputs. Results of the Comprehensive Rapid Literacy Assessment (CRLA) for School Year 2024–2025 show a national increase of 22 percentage points in the proportion of grade-level readers between the beginning and end of the school year (BOSY vs. EOSY). Despite this, data shows that some schools face acute challenges resulting in lower than average improvements or even backsliding of learners during the school year. Notably, many of these schools are in LGUs with below-average funding under their Special Education Fund (SEF). This demonstrates that while progress is being made nationally, inequities remain concentrated in the most disadvantaged schools and communities.

In recognition of these challenges, the School Innovation and Improvement Fund (SIIF) aims to empower under-resourced schools to implement evidence-based and locally-driven interventions to improve literacy and numeracy outcomes. The urgency of this effort is underscored by alarming national data showing that 91% of Filipino 10-year-olds struggle with reading comprehension, and many older learners perform below grade level. By directing resources to schools most affected by learning poverty, the SIIF offers a strategic way to address these learning gaps, strengthen school capacity, and promote inclusive and quality education for all learners.

II. SCOPE

All eligible public schools shall adopt the foregoing guidelines in availing of additional resources under the SIIF. The policy covers the application, process, release of funds, and other relevant information.

III. GENERAL GUIDELINES AND PROCEDURES

1. **Eligibility:** Public schools in the 4th and 5th class municipalities, which are non-implementing units, are eligible for SIIF support. The schools shall be identified by the Finance Service – Budget Division (FS-BD). See **Annex A** for the complete list of Recipient Schools.

2. **Funding Allocation:** Identified eligible schools shall receive SIIF based on the number of enrollees. The use of funds shall be subject to applicable budgeting, accounting, and auditing rules and regulations.

3. **Source and Use of Funds:** SIIF comes from the FY 2024 General Appropriations Act (RA 11975) under MOOE. With support from SDO, schools **must fully utilize the funds by December 31, 2025** following **item no. 23 of DepEd Order No. 29, s. 2019** *"only the maintaining balance and funding for outstanding checks issued, if any, should remain in the schools Bank account after the unexpended balance and net interest income earned as of December 31 of every year"*; and **section 3.5 of the NBC no. 595 "***After the end of validity period, all unreleased appropriations, unobligated allotments, and obligated allotments for goods/services/projects not yet delivered, rendered, or completed, and accepted shall revert to the unappropriated surplus of the General Fund and shall not thereafter be available for expenditure except by subsequent legislative enactment."*

4. **Program Basis:** Activities must align with Priority Improvement Areas (PIAs) in the SIP and AIP, **focusing on literacy and numeracy goals**.

5. **Allowable Activities:** Initiatives must target improvements in basic and functional literacy and numeracy for learners in Key Stages 1–3, as defined in **DepEd Order No. 10, s. 2024**, provided that the expenses charged against the SIIF are eligible under **DepEd Order No. 008, s. 2019**, *Revised Implementing Guidelines on the Direct Release, Use, Monitoring and Reporting of Maintenance and Other Operating Expenses Allocation of Schools, Including Other Funds Managed by Schools*, or any other relevant policies and guidelines issued by oversight agencies and DepEd.

<tr><td rowspan="3">The School Community Planning Team (SPT), in collaboration with the SGC, shall revisit and review the SIP and AIP. Schools shall also use their existing learner assessment data to identify appropriate interventions focused on improving learning outcomes focused on literacy and numeracy.

The identified interventions shall be encoded in the SIIF Online Form.</td><td>After the review, School Heads of eligible schools shall accomplish the SIIF Online Form, ensuring that appropriate interventions are selected based on learner needs.</td><td rowspan="3">The school implements the approved projects and activities targeting the improvement of literacy and numeracy.</td></tr>

</table>

1. REVISITING, ALIGNING, VALIDATING, AND IMPLEMENTING SCHOOL PLANS

a. School Improvement Plan Review and Alignment

Schools shall revisit their SIP and AIP to ensure that literacy and numeracy are identified as PIAs. Further, the SGC, upon the approval of the School Head, may propose programs to the Local School Board (LSB) to support projects that enhance learners' literacy and numeracy.

b. Submission and Quality Assurance

After reviewing the SIP and AIP, the schools shall input their PIAs on literacy and numeracy, as well as their aligned projects and activities, into the **SIIF Online Form**. The SDOs shall monitor alignment and provide feedback to schools using a **Division Validation and Monitoring Tool.**

A separate strand memorandum shall be released detailing the complete process for accomplishing the SIIF Monitoring Tools.

c. Implementation of Initiatives

Submission in the monitoring tool marks the start of implementation. Schools are expected to carry out planned activities and use SIIF effectively to address identified needs and improve learner outcomes.

2. BUDGET ALLOCATION AND FUND RELEASE

a. Computation and Distribution

The Finance Service–Budget Division (FS-BD) calculates each school's SIIF allocation based on the latest learner data from the Learners Information System (SY 2024–2025) as attached in Annex A. Funds will be released to SDOs via Sub-Allotment Release Orders (Sub-AROs) and transferred to schools as cash advances. The SDOs shall release 100% of the funds, subject to the availability of cash allocation and compliance with requirements stipulated herein.

b. Fund Utilization

Schools must use the SIIF strictly for learner performance improvement initiatives, following **COA Circular No. 2023-004**, **DepEd Order No. 29, s. 2019** and **NBC No. 595**. SIIF liquidation shall be treated independently from regular MOOE reporting.

c. Liquidation and Reporting

School-Level Reporting

School Heads shall submit monthly liquidation reports to their SDOs using prescribed templates. These reports should reflect **actual financial accomplishments**.

For school-level reporting, refer to **Annex B**, *Status of Downloaded Funds for School Innovation and Improvement.*

Consolidated Reporting

- SDOs shall review and consolidate school reports for submission to Regional Offices (ROs) using the prescribed template in **Annex B**.
- ROs evaluate and forward regional reports to the Finance Service – Accounting Division of the DepEd Central Office by the 20th of each month using the prescribed template in **Annex C**.

- The Finance Service will consolidate financial reports for submission to relevant offices. A standard reporting template will be provided. SIIF reports remain part of the regular MOOE consolidation submitted to the Finance Service.

V. MONITORING AND TECHNICAL ASSISTANCE

Central Office Oversight

The Human Resource and Organizational Development (HROD) Strand, through the BHROD–SED, leads the evaluation of the implementation of the policy. It shall coordinate with the Learning Systems Strand, and other appropriate offices for the purpose of program evaluation. Findings will inform guidelines and program improvements.
