Madam:

Good day.

This is in reference to **DepEd Order No. 30, s. 2017**, which mandates that Senior High School students undergo Work Immersion. Under Academic Track Model A, students complete 80 hours in partner firms that reinforce classroom learning through workplace exposure. The goal is to simulate real work environments and help learners apply their specialization skills in authentic settings.

In this regard, **Dr. Cecilio Putong National High School – Senior High School** proposes deploying **twenty-three (23) Sports Track students** as assistant or officiating officials during the upcoming **District/City Meets**, as well as other higher-level competitions within our division.

Although their Work Immersion is officially slated for the second semester, we respectfully request that their roles in these sports events be recognized as advanced immersion—a valuable opportunity to gain authentic workplace experience and apply their officiating skills.

We affirm our full support and compliance with your office's policies.

“Attached is the list of sports students and their respective events.”

Respectfully yours,

[Signature]
