Dear Dr. Wilfreda Bongalos,

Greetings in the name of our Lord Jesus Christ!

I hope this message finds you well. In observance of the **National Bible Month** this January, as **declared under Presidential Proclamation No. 2242, s. 1982; 1067 s. 1997**, I would like to seek your permission to organize and conduct a Bible Study and Values Formation with Feeding Program within your school premises.

The proposed Bible Study aims to promote values formation, spiritual and emotional comfort, moral guidance and a deeper understanding of spiritual teachings. Which align with your school's commitment to the holistic development of all students and staff. This initiative also supports the governments recognition of the significance of the Holy Bible in shaping the moral fiber of our nation.

Values Formation is a life seeker who help shape, cultivate and enhance student's personality – what you are outside or what you are to the world and character – what you are inside. They are directly related to a person's attitude and behavior. As the greatest resource of every nation, it is vital that learner's personality and character be shaped, cultivated and enhanced. It is designed to help educators achieve their goal to instill life values into learners. Children are entitled to live a meaningful life just as Jesus plans for everyone. Jesus said, "I have come that they may have life and have it to the full". (John 10:10). God plans to prosper and keep as safe.

Should you grant approval, I plan to conduct the Bible Study on specific dates and times inside the school premises. Participation will be entirely voluntary and open to interested students, teachers and staff members. Rest assured that all activities will be conducted with utmost respect for the diverse beliefs of your school community.

I am more than willing to coordinate with the administration to ensure that all necessary preparations, guidelines and protocols are strictly followed.

Thank you for considering this request, we look forward to your positive response and guidance on how we can proceed with this meaningful activity. We're excited to a fruitful and lasting partnership with your school organization.

Humbly and passionately with you in helping build a healthier nation for our people.

Thank you and may the Lord God bless you and your family.
