Dr. Wilfreda D. Bongalos, CESO V
School Division Superintendent
Department of Education
Tagbilaran City Division
Tagbilaran City

Dear Dr. Bongalos:

Warm Greetings!

Cristal e-College respectfully seeks your kind permission to send an official communication to the Principals of public and private secondary schools under DepEd Tagbilaran City Division regarding the National Merchant Marine Aptitude Test (NaMMAT).

The NaMMAT is a mandatory admission requirement for incoming first-year students enrolling in the Bachelor of Science in Marine Transportation and Bachelor of Science in Marine Engineering programs, as stipulated in Commission on Higher Education Memorandum Order (CMO) No. 7, Series of 2025, to be implemented beginning Academic Year 2026–2027.

In this regard, we respectfully request the assistance of school principals in disseminating this information to graduating Senior High School students who may be interested in pursuing maritime programs to ensure early awareness and preparation. The NaMMAT is scheduled on March 22, 2026, at Cristal e-College, Tawala, Panglao, Bohol. For further information, including details of the online registration and other relevant matters, interested parties may coordinate with Cristal e-College through its official Facebook page or via telephone at (038) 502-8408 / (038) 502-8409.

This coordination is particularly important as, in Region VII, only University of Cebu and Cristal e-College are designated as official testing centers for the NaMMAT, making the requirement accessible to students from the Province of Bohol.

In view of the foregoing, Cristal e-College respectfully requests your approval. Thank you for your continued support in guiding learners toward informed career pathways.

Thank you for your continued guidance and support.

Very truly yours,

WILL TYRON B. TIROL, Ph.D.
President
