**GUIDELINES ON THE GRANT OF WELLNESS LEAVE POLICY
FOR THE DEPARTMENT OF EDUCATION PERSONNEL**

I. RATIONALE

The Department of Education (DepEd) recognizes that the holistic well-being and productivity of its workforce are essential to the effective delivery of quality basic education and public service. As the demands in the education sector continue to grow, DepEd personnel are increasingly exposed to heavy workload and stress, which may adversely impact their physical and mental health. This is further supported by the 2025 Global Workplace Report, which reveals a highly engaged yet stressed Filipino Workforce, which creates a high-risk turnover environment. The report showed that among Southeast Asia, Filipino employees are the most engaged yet report high levels of daily stress and are the loneliest in the region. This combination of strong engagement and negative emotions translates into high intent to leave, with three out of five (60%) actively looking for a new job, making them the most likely to seek new employment.

Pursuant to CSC MC No. 1, s. 2026, all government officials and employees are granted Wellness Leave (WL) up to a **maximum of five days** for purposes including, but not limited to, mental health care, physical wellness activities, or a general break from work.

Accordingly, this Order shall serve as a guide for the Central Office (CO) and field offices to ensure effective implementation and monitoring of the grant of WL within their respective jurisdictions.

II. SCOPE

This Order shall apply to all eligible DepEd officials and employees in the CO, Regional Offices (ROs), Schools Division Offices (SDOs), schools, and community learning centers (CLCs), under permanent, coterminous, fixed-term, contractual, casual, temporary, substitute, and provisional status.

This Order shall likewise apply to Contract of Service (COS) or Job Order (JO) personnel directly engaged by contract of the Department, subject to the provisions under Section VI of these guidelines.

III. EXCLUSIONS

COS and JO Personnel engaged through agency/firm (e.g., manpower services) and LGU-funded personnel shall be excluded from this Order.

The WL of any personnel funded by their respective local government units (LGUs) but are detailed or assigned to DepEd shall be in accordance with the WL Policy of their mother agency.

14

IV. DEFINITION OF TERMS

For purposes of this Order, the following terms, words, and phrases shall mean or be understood as follows:

1. **Emergency Cases** – refers to any sudden or significant deterioration of the mental or emotional state of the eligible personnel that makes them unable to safely or effectively perform their essential job functions which may be due to any of the following circumstances, but not limited to, bereavement, accident, calamity, or any extreme conditions and/or situations that may significantly contribute to mental and emotional distress or trigger existing mental health condition.
2. **Mental Health** – as defined under Republic Act (RA) No. 11036, or the Mental Health Act, refers to a state of well-being in which the individual realizes one's own abilities and potentials, copes adequately with the normal stresses of life, events, works productively and fruitfully, and is able to make a positive contribution to the community.
3. **Wellness Leave** – refers to a type of leave that may be availed of by the eligible personnel for the purposes including, but not limited to, mental health care, physical wellness activities, or a general break from work.
