Dear **SDS Bongalos**,

Greetings from Teach for the Philippines (TFP)!

Teach for the Philippines, Inc. is a for-purpose, non-stock, non-profit organization that works to ensure all Filipino children benefit from an excellent, inclusive, and relevant education. Founded in 2012, TFP focuses its efforts on improving teacher quality and addressing education challenges at the system-level. Through its core programs, the organization builds a movement of high-potential Filipinos who can improve student learning outcomes, spark positive change in public school communities, and set reforms in motion to transform our public schools to become what our children deserve and what our country needs.

Launched in 2025, the Punong-Guro Program / Principal Growth Pathway (PGP) is a two-year leadership program which aims to develop high-potential aspiring and new public school principals into transformational school leaders who embody excellence, compassion and clarity.

As we expand the cohort of PGP participants, **we are pleased to invite your SDO to disseminate the attached Program Briefer** which contains program details and the application link for schools in your jurisdiction. We hope to recruit and select potential PGP participants from your SDO to be part of the PGP Cohort 2026 along with other school leaders nationwide. Open application will end until March 31, 2026.

Please find the **Program Briefer enclosed for your use**. We look forward to your response and to collaborating in support of our school leaders' growth and success. Should you have any questions, please contact our Program Manager, John Lawrence Carandang, at pgp@teachforthephilippines.org.
