OSDS-2026- 070

TO : **CORAZON H. SAMUYA** - School Principal, DCPNHS JHS  
**JONATHAN MEMBREVE** - School Principal, Cogon National HS

**CONDUCT OF SITE VISIT FOR THE WORLD BANK MISSION ON THE PILOT TEST OF  
WATER, SANITATION AND HYGIENE (WASH) ASSESSMENT FOR SCHOOLS**

1. Relative to the Accelerated Water Supply and Sanitation Project in Selected Areas (AWSPSA), technical assistance will be conducted to gather baseline information and assess identified public institutions, particularly schools where Water, Sanitation and Hygiene (WASH) facilities will be constructed and eventually turned over to the Department of Education.
2. In line with this initiative, the World Bank will conduct a mission to pilot test the WASH baseline form using KoBo Toolbox and determine the possible enumerator profile and team implementation for comprehensive WASH data gathering.
3. Accordingly, a site visit will be conducted on March 18, 2026 at Dr. Cecilio Putong National High School, with Cogon National High School as the alternative site. The mission team will be composed of representatives from the World Bank and the Provincial Government of Bohol.
4. Concerned school heads and personnel are requested to extend full cooperation to the mission team.
5. For more information, please see the attached letter.
6. Immediate dissemination of this Memorandum is desired.

**SUBJECT: WORLD BANK MISSION ON PILOT TEST OF WATER, SANITATION AND HYGIENE (WASH) ASSESSMENT IN BOHOL**

Dear **Dr. Bongalos**:

Greetings of prosperity!

This refers to the Accelerated Water Supply and Sanitation Project in Selected Areas (AWSPSA), which will be implemented in the Province of Bohol by the Department of Public Works and Highways (DPWH) and Department of Interior and Local Government (DILG), specifically known to be the Bohol Bulk Water and Sanitation Project (BWSSP). One of the components of the project is the Water, Sanitation and Hygiene (WASH) which will be implemented in partnership with the Department of Education (DepEd). The World Bank, as the funding institution of the project, is extending technical assistance to the preparatory activities for the (WASH) implementation.

The technical assistance aims to gather baseline information and conduct assessment of identified public institutions, namely: schools, day care center, health services, municipal halls and evacuation centers where WASH facilities will be constructed and turned over to the Department of Education (DepEd) and provincial / municipal local government units. Relative to this initiative, the World Bank will conduct a mission to undertake a pilot test of the WASH baseline form (Kobo toolbox) and to determine the possible enumerator profile and team for implementation of comprehensive WASH data gathering.

In view of this, we would like to inform the Department of Education Division of City Schools – Tagbilaran City regarding the conduct of site visit **on March 18, 2026 to Dr. Cecilio Putong National High School, with Cogon Day High School as the alternative site.**

The mission will be composed of the representatives from the World Bank and Provincial Government of Bohol. Should you need more information regarding the activity, you may contact Engr. Angelus L. Sales of the Provincial Planning and Development Office (PPDO) thru his mobile number, 09183562300 or thru Ms. Mildred A. Madronero at 09973565495.

We look forward to your usual support and cooperation.

Thank you!

Very truly yours,
