1. The Philippine Commission on Women (PCW), through its National GAD Resource Program (NGRP), continues to deliver timely and relevant technical assistance (TA) on gender and development (GAD) to national government agencies, state universities and colleges, government-owned and controlled corporations, and other government institutions. A key component of the NGRP is its GAD Technical Assistance Platform, which covers the provision of individual TA, sectoral, and public TA offerings, as well as GAD webinars.
2. The GAD webinars are developed to reach a broad range of government stakeholders, offering accessible, flexible, and self-paced learning opportunities. Since 2020, these webinars have supported policymakers, government personnel, GAD practitioners, and the general public in deepening their understanding of gender mainstreaming and acquiring practical tools and knowledge that can be applied within their respective institutions and sectors.
3. Building on this strong foundation and the sustained impact of the GAD webinar series, **four (4) specialized webinars will be conducted for Fiscal Year (FY) 2026** to address emerging issues and current technical assistance needs, as follows:
