DR. WILFREDA A BONGALOS, CESO V

Superintendent

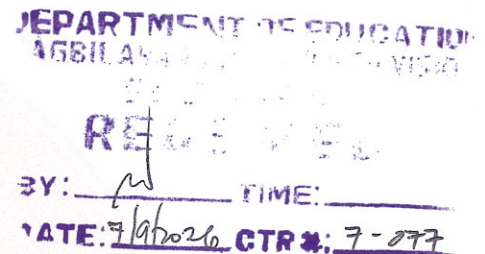

Schools Division of Tagbilaran City

Rajah Sikatuna St, Tagbilaran City, Philippines, 6300

Dear Dr. Bongalos,

Warm greetings in the spirit of excellence in education.

We write to you on behalf of the Realizing Opportunities Nurturing Achievers (RONAS) Training Center, a PRC-accredited Continuing Professional Development (CPD) provider dedicated to enhancing the competencies of professional teachers nationwide. As an institution internationally accredited by the American Council of Training and Development and The CPD Group of London, RONAS upholds global standards of excellence in professional learning, instructional leadership, and faculty development, ensuring that every program we deliver equips Filipino educators with world-class knowledge and practice.

The first, entitled **"Transformational Leadership & Instructional Supervision: Reimagining Pedagogy and Curriculum,"** carries the theme "Revolutionizing Learning: Leading the Way to Educational Excellence" and will be held on July 31 to August 2, 2026 via Google Meet, granting participants eleven (11) PRC CPD units upon completion.

The second program, **"Strengthening Instructional Supervision & Innovative Teaching through ICT Integration, Twinkl, and Canva,"** anchored on the theme "Building Future-Ready Educators through Digital Pedagogy and Instructional Leadership," is scheduled on August 21 to 23, 2026, likewise via Google Meet, and carries eight (8) PRC CPD units.

Both webinars are crafted to respond directly to the evolving needs of school leaders and classroom teachers as they navigate the demands of twenty-first-century instructional supervision and digital-age pedagogy.

To ensure the success and wide reach of these programs, we respectfully seek the support of your good office in endorsing this initiative to the public and private schools within the Tagbilaran City Division.

In this regard, we humbly request the issuance of a DepEd memorandum or advisory that would allow us to extend this professional development opportunity to a broader community of educators under your jurisdiction. We have attached herewith the pertinent documents relevant to this event for your reference and evaluation. Your endorsement would not only enable greater participation among deserving teachers and school leaders but would also affirm the Division's continuing commitment to accessible, high-quality professional development for its teaching force.

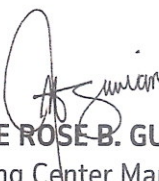

We thank your good office, in advance, for the kind consideration of this request, and we look forward to a favorable response. RONAS Training Center remains committed to serving as a steadfast partner of the Department of Education in nurturing empowered, future-ready, and excellent Filipino educators.

For other concerns, please contact the undersigned at 0910-248-6391/ / 0917-896-8677. We will be glad to discuss further details with you.

With respect and commitment to educational excellence,

Program Brief – Webinar 1: Transformational Leadership & Instructional Supervision: Reimagining Pedagogy and Curriculum

In an era defined by rapid curricular reform and heightened accountability for learning outcomes, instructional leadership has become the decisive factor that distinguishes thriving schools from struggling ones. This program confronts that reality head-on, offering school heads, master teachers, and supervisors a rigorous, research-grounded framework for reimagining pedagogy and curriculum through the lens of transformational leadership. Participants will gain sharpened competencies in instructional supervision, data-informed decision-making, and curriculum contextualization, alongside the leadership dispositions needed to inspire genuine pedagogical change within their schools.

The program is deliberately aligned with the Department of Education's mandate under the Philippine Professional Standards for School Heads and the broader agenda of curriculum modernization and educational excellence, ensuring that every insight gained translates into measurable improvements in teaching quality and learner achievement. More than a training, this is an invitation to Filipino educational leaders to rise as architects of change—leading their schools with vision, courage, and evidence-based practice toward a future where every learner thrives.

Program Brief – Webinar 2: Strengthening Instructional Supervision & Innovative Teaching through ICT Integration, Twinkl, and Canva

The classroom of today demands educators who are not merely competent in content but fluent in the digital tools that shape how learners engage, create, and understand. This program responds to that imperative by equipping teachers and instructional supervisors with practical mastery of ICT integration alongside two of the most widely used digital platforms in modern instruction, Twinkl and Canva, transforming abstract technological potential into concrete, classroom-ready pedagogy. Participants will learn to design visually compelling, learner-centered instructional materials, streamline lesson preparation, and enrich supervision practices with digital tools that elevate both teaching efficiency and learner engagement. Firmly rooted in twenty-first-century pedagogical standards and DepEd's continuing thrust toward digital transformation in basic education, this webinar cultivates the digital literacy and instructional agility that today's educators must possess. It is, ultimately, a call to action: for Filipino teachers to embrace innovation not as an option but as a professional imperative, becoming future-ready educators who lead confidently in an increasingly digital learning landscape.

To ensure the success and wide reach of these programs, we respectfully seek the support of your good office in endorsing this initiative to the public and private schools within the Tacloban City Division. In this regard, we humbly request the issuance of a DepEd memorandum or advisory that would allow us to extend this professional development opportunity to a broader community of educators under your jurisdiction. We have attached herewith the pertinent documents relevant to this event for your reference and evaluation. Your endorsement would not only enable greater participation among deserving teachers and school leaders but would also affirm the Division's continuing commitment to accessible, high-quality professional development for its teaching force.
