DIVISION MEMORANDUM

No. 582 s. 2026

DENGUE PREVENTION AND CONTROL IN SCHOOLS

To: Assistant Schools Division Superintendent
Chiefs, CID and SGOD
Public and Private Elementary and Secondary School heads
All Others Concerned

1. Considering the persistent threat of dengue and the need to safeguard the health of learners and school personnel, this Office, through the School Governance and Operations Division–School Health and Nutrition Unit (SGOD–SHNU), directs all public and private elementary and secondary schools to intensify the implementation of dengue prevention and control measures in their respective schools.
2. To reduce the risk of dengue transmission, schools are directed to:
 - A. Conduct regular clean-up drives and eliminate mosquito breeding sites within and around school premises;
 - B. Promote proper waste management and environmental sanitation;
 - C. Disseminate information on dengue prevention, signs and symptoms, and the importance of early consultation;
 - D. Encourage the observance of the Department of Health's 5S Strategy Against Dengue; and
 - E. Monitor and promptly report suspected or confirmed dengue cases through existing reporting mechanisms.
3. School Heads are encouraged to coordinate with local health authorities and other stakeholders in the implementation of dengue prevention activities.
4. Immediate and strict compliance with this Memorandum is desired.
