Dear **Dir. Bayocot**,

Republic Act No. 11223 or the Universal Health Care Law enshrines the Department of Health's (DOH) partnership with education national government agencies, specifically the Department of Education (DepEd), in developing schools to become healthy settings and promoting health literacy among Filipino learners. The Health Promotion Framework Strategy (HPFS) (Administrative Order No. 2020-0042) adopts a settings-based approach for health promotion. With a settings-based approach, schools or learning institutions are recognized to be built environments that can serve as an important avenue to deliver population-based health interventions, age-appropriate health education, as well as the implementation of health-promoting policies.

In support of the continued implementation and expansion of the Healthy Learning Institutions Program, we endorse the identified schools in the Province of Bohol as implementation sites. Please refer to Annex A for the participating schools. In line with this commitment, the DOH Central Visayas Center for Health Development, through the Health Promotion Unit, will conduct a **Workshop on the Implementation of the Healthy Learning Institutions Program in Bohol** on September 10-12, 2026 in Tagbilaran City, Bohol, for teaching and non-teaching personnel from identified last mile and non-last mile schools under the Bohol and Tagbilaran City Schools Division Office.
