REGIONAL MEMORANDUM

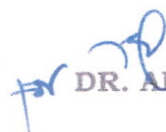

08 SEP 2026

No. **0792** s. 2026

**CONDUCT OF CAPACITY BUILDING ON SAFER LEARNING FACILITIES/PILLAR 1
AND M7X ORIENTATION**

To: Schools Division Superintendents
Division DRRM Coordinators
All Others Concerned

1. The Department of Education recognizes the need to continuously strengthen the capacity of its field offices and schools in disaster preparedness, particularly in ensuring the safety and resilience of learning facilities and enhancing readiness for high-magnitude earthquake scenarios.
2. In line with this, the *M7X Visayas Cluster Orientation* was initially planned to provide field offices with a common understanding of the M7X Ready Program and strengthen preparedness measures for a possible magnitude 7.0 or higher earthquake. However, the conduct of the M7X Visayas Cluster Orientation is postponed until further notice due to the delayed release of funds from the Central Office. While awaiting the rescheduling of the Cluster Orientation, all field offices are directed to proceed with the conduct of Capacity Building on Safer Learning Facilities/Pillar 1 and M7X Orientation within their respective areas of responsibility. This should ensure that preparedness and capacity-building activities at the Division and school levels will continue without unnecessary delay.
3. With this, the Schools Division Offices shall submit their accomplishment report including the number of participants, major topics discussed, key outputs, identified concerns, and recommended actions to the Regional DRRM Coordinator.
4. The Regional DRRM shall monitor the implementation of the activity and consolidate reports from the field offices. The consolidated reports will serve as one of the bases for strengthening succeeding M7X-related capacity-building activities and for the eventual conduct of the M7X Visayas Cluster Orientation.
5. For questions or clarifications, please contact Mr. Ranilo L. Edar, Project Development Officer II, at ranilo.edar@deped.gov.ph.
6. Immediate dissemination of and compliance with this Memorandum are enjoined.
