One of the decisions made by the Tagbilaran City El Niño Task Force is to formulate a plan to prepare for and mitigate the adverse effects of El Niño on the city. As El Niño is expected to peak in October of this year and persist until February 2027, it is urgent that the City Government, through the Task Force, develops this plan.

Therefore, the Task Force will hold a planning workshop on September 23, 2026, from 8:30 AM to 4:30 PM. This will be held at the Buzz Café at Liteport, Gallares St. Your presence and participation are highly appreciated.

Respectfully yours,

JANE CENIZA C. YAP
Task Force El Niño Chairperson
City Mayor
